Venice Bond Issue Urged

**\$500,000 Building
Program is Proposed
By Mayor John Lee**

Sale of a \$500,000 bond issue to finance city improvements in Venice, including construction of a recreational building and facilities in North Venice, will be proposed by Mayor John E. Lee to the Venice city council tomorrow night.

Mayor Lee said he will ask council members during regular meeting to approve plans for a referendum vote on the bond issue proposal.

In addition to construction of a North Venice recreational center, the mayor's proposal calls for construction of a new Venice fire station and extensive remodeling of the Venice city hall to provide expanded and modernized facilities for the police department and other city offices.

The mayor said he will ask the council's approval of the program in Friday night's session so that the proposed expenditures may be included in the final draft of the city's new 1970-71 budget and appropriation bill, also scheduled for consideration Friday night.

May Revise Estimates
Present cost estimates of the three-phase improvement plan are tentative, the mayor explained, and may be revised later on the basis of more detailed studies. He said, however, that about \$200,000 would be needed for ground acquisition and construction of the proposed recreation hall.

A cost of a new fire station is estimated at \$100,000 and remodeling cost at the city hall is expected to require about \$100,000. Mayor Lee said some additional funds would be required for engineering fees, architectural fees and planning costs, and for that reason the bond issue is now being considered at about \$500,000.

A referendum vote on the bond issue would be necessary since general obligation bonds would require a tax levy for retirement of principal and interest. Venice now has no outstanding bonds.

The proposed recreation hall would be built on land now owned by the city of Venice in the 1100 block of Lujan street, on which a playground is now located, the mayor said. He noted, however, that some additional ground would be required to supplement the five-acre lot owned by the city, but this would provide enough land to also permit installation of outdoor recreational facilities.

The mayor said the fire station would be located on Lujan street.

Father of Four Found Murdered Off By-Pass 66

The body of Rodney R. Goodnick, 35, Waterloo, a single gunshot wound in the left chest was found in a clump of weeds along By-Pass 66 in Chouteau township about 8 p.m. Tuesday.

Sheriffs deputies said the murder victim had been dead about eight hours when found. The body was fully clothed and was lying just off the north side of By-Pass 66 at the end of the old Madison-owned Chain of Rocks bridge.

Authorities said the body was found by a passerby who notified the sheriff's office.

Goodnick, a painter, was the father of four children. For the past year he has been assigned through a St. Louis painters union to the SIU-SW campus, working as a painter on building projects.

Investigators of the sheriff's office said it was "very likely possibility" that Goodnick was dumped from a car in the weed patch.

Bullet Removed
The bullet which was lodged in Goodnick's body and removed in an autopsy ordered by Madison County Coroner Robert Thomas was of .32 caliber, deputies said.

Nearly 24 hours prior to discovery of Goodnick's body, a pickup truck was found Monday morning in St. John's Cemetery at Collinsville. All four tires had been slashed.

A newspaper deliveryman reported yesterday that he had heard about a murder. He said there appeared to be no immediate connection between the incidents in the investigation today.

The office of Coroner Thomas said an inquest probably will be scheduled the latter part of next week.

Sheriff's investigators would not say yesterday whether there were any "leads" in the case and would say only that "the murder is under investigation."

Branch Library Planned For City

**Committee Report
On Sites and Cost
Is Due on Sept. 8**

The Granite City library board is beginning to look around for locations for branch libraries in outlying areas of the city.

A report of a location study is due Sept. 8. The committee to find a suitable building or site is headed by Floyd Eaton, who was named by Ronald Aldridge, new president of the library board, succeeding Mrs. Henry Lueders.

No date has been scheduled for opening a branch library. The committee is planning to accumulate sufficient funds over a period of years to finance the program.

So far, \$21,000 has been built up in five years, and approval was given Monday night by the city council for the library board to add \$25,000 to the 1970-71 budget for branch library construction. The amount needed will be determined by the committee in the next 2½ months.

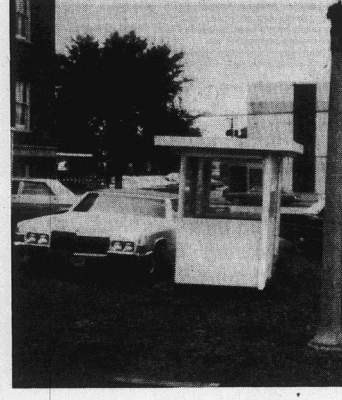

Second Bookmobile Planned
The board also plans to purchase a second bookmobile to serve schools in the area.

At the present time, the library has 24,390 adult borrowers, 3702 juvenile borrowers along with 4212 persons listed as borrowers with the bookmobile.

There also are 202 non-resident adults and seven non-resident youngsters using library facilities. They pay fees of \$3 per year for adults and \$1 for a child. Circulation for the year totaled 342,362.

FRONT YARD PARKING at St. Elizabeth Hospital while construction is under way to pave and light the lots along Iowa street. Tucked between the doctors' cars is the parking lot attendant's booth, which is to be placed on the new lot for collection of parking fees.

Parking Problems Heroism Medal Awarded At Hospital While Lots are Paved

(Related story, Page 41)

Temporary closing of the large parking lots in the 2000 and 2100 block of Iowa street has presented problems at St. Elizabeth Hospital, but partial solutions have been found.

The closing will be for two to three weeks while the lots are being paved and lighted. When the lots reopen, an attendant will be on hand to collect parking fees and to protect the autos. The amount of the public fee has not yet been determined.

Wounded by shrapnel, the award was made recently by Brig. Gen. W. E. Shedd, Chief of Staff, 24th Army Corps Headquarters, with the information relayed last week to the soldier's parents, Mr. and Mrs. John Fuller, 124 Lynn avenue, 1st Battalion, 44th Artillery, 108th Infantry Group.

The citation accompanying the medal reads in part: "For heroism in connection with military operations against a hostile force in the Republic of Vietnam. Sp4 Fuller distinguished himself by valorous actions on April 10, 1970, while serving as a member of a twin 40 MM anti-aircraft, track mounted, weapon squad supporting the Special Forces Camp at Mai Loc, South Vietnam."

"In the early morning hours, an intense attack was launched on the camp by a numerically superior enemy force employing mortars, rocket propelled grenades and small arms. Specialist Fuller dashed through intense hostile fire to man his antitank weapon."

Warehouse, Five Other Burglaries Here This Week

Twelve burglary and theft reports received this week are being investigated by Quad-City area police. They include looting of a warehouse.

Burglars hauled away seven air conditioners and a stereo from Friedman's warehouse, Sixth and State streets, Madison, late Tuesday night or early Wednesday. Madison police reported at 10 a.m. yesterday.

Joe Decker, an employee, said he opened the warehouse and used a key to open the front door which was locked. He said a bar usually kept across a doorway was not in place and the rear door was partly open. There was no sign of forced entry.

Police said the burglars took two air conditioners worth \$130 each; four air conditioners worth \$40 each; one air conditioner worth \$20 and a stereo valued at \$127, for a total loot valued at \$317.

Burglary at Store
A burglary at Cann's confectionery, 2542 Sheridan avenue, was reported at 6:30 a.m. Wednesday by the owner, Leslie Cann, who said a quantity of assorted candy and cigarettes was stolen.

Entry into the building was gained by breaking a glass in the front door. Value of the cigarettes was given as \$15. No estimate was placed on the candy removed.

Burglars forced a door on the garage at the home of Howard Kamm, 3100 East 23rd street, and stole items valued at \$400, police reported at 2:20 p.m. Monday. Taken from the garage were two snowshoes, fishing rods and reels, a box of fishing tackle and a two-way radio.

\$1800 Wig Theft
Wig thieves netted 49 individual hairpieces and full wigs, valued at \$1800, in a burglary Tuesday night or early Wednesday at Bon's Wig, 2520 N. Second street, the owner, Bonnie Watson reported to police yesterday.

Burglars gained by "breaking" a rear window. Taken were 35 wigs, valued at \$1400; ten hairpieces, valued at \$180; and 49 individual hairpieces, valued at \$1800.

Burglars broke in a rear door of a home at 2520 N. Second street, the owner, Cecil Wilcox, 2621½ Madison avenue, and hauled away an assortment of radio glasses and antique gramophone records, among other items, the owner told police at 6:30 p.m. Wednesday.

The loot with a total value of \$1474 included 17 "dog-shaped" radios, valued at \$200; ten AM-FM radios, valued at \$200; 15 antique gramophone records, valued at \$200; two dozen bowls, valued at \$30; eight bowls, valued at \$20; two beer mugs, valued at \$40; one beer stein, valued at \$40; 30 sets of highball glasses, valued at \$30.

Downtown Mail Given Official Ok by City

Two forward steps for improving conditions in downtown Madison were taken Monday night by Granite City council members.

An official "ok" was stamped on the plans for improvement of the downtown business district with a two-block mall along Niedringhaus avenue and three-block semi-mall on 19th street.

A Citizens Advisory committee is to be established to aid the city through its present financial dilemma resulting from costly sewer breaks and rising operating costs.

The council has indicated in the past it favored the downtown improvement program that was first announced in January, but the official approval in the form of an ordinance is to be developed as a properly with the development.

Henry Gabriel, chairman of the Downtown Renewal committee, said the Citizens Chamber of Commerce, told council members Monday night that Downtown Granite City, Inc., an now proceed with the financial arrangements.

Private Financing
The development of the mall and semi-mall is to be financed by the adjacent businesses and property owners. When detailed plans are completed, they will be submitted to the council for approval before the calling of bids.

Under the plan, Niedringhaus avenue is to be developed as a mall with planters and parking areas between Cleveland blvd. and Delmar avenue and between Delmar avenue and Edison avenue, and 19th street is to be developed as a semi-mall, open to one-way eastbound traffic and parking spaces in the traffic pattern to separate through traffic from vehicles carrying shoppers to and from the central business district.

Additional off-street parking lots are planned for the complete development along with changes in the traffic pattern to separate through traffic from vehicles carrying shoppers to and from the central business district.

Need for Advice
The plan for a Citizens' Advisory committee to aid the city over its present financial hurdle was brought out by Alder Robert J. Henderson, whose proposal was readily accepted by the council.

Henderson, a former mayor, recalled how such a committee "pulled the city out of the hole" when it was \$750,000 in debt on public improvements and again in the 1940s when there was another financial crisis over sewers.

Venice Police Residents Hunt Cougar Along Levee

Venice police — always prepared for the unusual — are engaged in a new assignment.

Between calls and on occasion during their off-duty hours during the last few days, Venice officers have been searching the riverfront area for a cougar, or a mountain lion, or whatever it may be.

Presence of the large cat, and officers have no doubt that it is in the vicinity, first became known Tuesday morning when Angie Clasper, 210 Bremen avenue, called police to report a large feline paw print in the newly turned dirt in her garden.

Officers went to investigate and measured the print at 5½ inches from the top claw to the bottom of the pad. The print was 4½ inches wide. They reported the animal had dragged "something heavy" through a weed patch and said they had tracked the animal for a short distance toward the levee.

Police Chief John Essington theorized the animal may be the one reported struck by a car driven by a St. Louis county police officer on a road near Lemay, Mo., about a week ago.

Wednesday morning, Venice police received reports from three persons that they had seen the cougar Tuesday night or Wednesday morning along the levee in the Kerr Island area.

Chief Essington said he has been trying to locate several dogs trained to track "lion" but that such dogs are scarce.

Observing 60th Anniversary in Ministry

Germany, he came to this country at the age of six with his parents and three brothers and a sister, now all deceased.

The family settled in Hartsburg, Mo., where his father worked as a stone mason and plasterer and operated a brick yard.

It was here the family home was built, a large two-story frame house, which still stands.

Rev. Wintermyer made his decision to enter the ministry when he was 10 years old and never lost faith as this was his life's vocation. He said, "I first realized this desire after attending Sunday services held in the Christian ministry at my father for the German families who lived in the area."

Since there was not a church at the time the elder Mr. Wintermyer would obtain sermons and read them each Sunday to the immigrant families until such time as they were able to build a church.

"His early education was received in Hartsburg and he entered college at age 17. He graduated from Elmhurst Academy and Elmhurst College in 1907 and from Eden Seminary in 1910. He was ordained into the Christian ministry at Hartsburg on June 19, 1910.

First-Aid Group to Organize on June 25

A meeting has been called by Mrs. Maxine Dunlaph, a local first-aid authority, for 7 p.m. Thursday, June 25, in the third floor council room in the city hall of Granite City. Purpose will be to form an organization of trained first-aid workers.

The group would work with the Red Cross, civil defense and other organizations if this area is stricken by a disaster, Mrs. Dunlaph said.

Several qualified persons will be present to discuss any questions on the subject. They will include Victor Koenig, Granite City CD director, and from the Red Cross, Mrs. Ruby Overbeck, executive secretary, Joseph Smith, disaster chairman, and Mrs. Dunlaph, first-aid chairman.

Hubcaps Stolen

The theft of two hubcaps, valued at \$22, was reported Wednesday by Mrs. Marie Sieb, 2626 Hodge street, who said the discs were removed from her 1968 auto while the vehicle was parked at the rear of the home.

Those attending will choose a chairman and discuss such topics as a monthly meeting place, emergency supplies and a place to store them, methods of contacting members in an emergency and classroom drills to prepare participants to work as teams.

Persons not trained in first-aid may join the group and take training later. Those seeking further information may call Mrs. Dunlaph at 931-2714, or attend next week.

Auction Slated At Army Depot; Heavy Equipment

Col. Ned R. Dickson, commanding officer, Granite City Army Depot, today announced a Department of Defense auction to be held at the Depot on July 15.

Registration of bidders will begin at 8 a.m. and the sale will begin at 10 a.m.

Beginning June 24, the items to be inspected Monday-Friday between 9 a.m. to noon and 1 p.m. to 3 p.m.

The sale consists of 31 construction and vehicular items with an acquisition cost of over \$2,019,000.

Included among these items are bulldozer blades, air compressors, truck cranes, concrete mixer heaters, centrifugal pumps, water tank trucks, crawler tractors, bolster trailers, cargo trailers, flat bed trailers, a bus, a station wagon, a shop van truck, diesel and gasoline engines, power units, transmissions and water purification units.

The auction will be conducted by the Defense Surplus Sales Office, Columbus, Ohio. The government's two full-item auctions, "Friendly" Fred Hinkley and "Smiling" George Beam, have flown over one million miles in their years of auctioning items for Uncle Sam, Col. Dickson said.

He has sold over a half billion dollars of supplies, with as much as \$13 million at a single sale.

Numerous inquiries are being received at the depot daily regarding the availability of surplus jeeps and motorcycles. These items available for the depot does not have either of these items available for sale.

Persons interested in buying Department of Defense surplus property should write to DOD Surplus Sales, P.O. Box 1378, Battle Creek, Mich. 49016, and have their name placed on the surplus bidders' mailing list.

Bidders may receive an auction catalog by contacting the Merchandising Division, Defense Surplus Sales Office, P.O. Box 13110, Columbus, Ohio 43213, telephone AC 614, 236-2114.

Council Ignores Court Order -- Refuses to Pay Women

The two women dispatchers in the Granite City police department won their salary payment suits against the city in the small claims court in Edwardsville on June 4, but the council voted Monday night not to make the payments.

The women, Mrs. Margie Hall and Mrs. Cleo Buttery, won claims for salaries against the city totaling \$1000 for Mrs. Hall and \$982 for Mrs. Buttery, plus court costs. Council members indicated they plan to appeal the ruling.

Debate on the issue featured an exchange between Mayor Partney, who named the women to the jobs on Feb. 1 and Alderman Moerlen, who has successfully made the motion twice a month since March not to pay the women.

Moerlen told the council he happened to be in Edwardsville on the day of the hearing on June 4 and dropped by the court to hear the proceedings. He indicated the matter was not fully aired and that the council should appeal the decision.

Mayor Has Authority
In the ruling handed down by Magistrate Stephen Janakopolis, it was stated, "The court finds the mayor had authority to control the police department and hire dispatchers who earn a stipulated salary."

The ruling also issued instructions to send a copy of the order to the parties involved. That was the crux of the council's objections. The order was not read among the community.

Summer Hours Set for Library And Bookmobile

Summer hours for the Granite City public library facilities were announced this week by Mrs. Mary Gene Knulke, librarian.

The library will be open from 8:45 a.m. to 5:15 p.m., Monday, Tuesday, Thursday and Friday; from 8:45 a.m. to 8:30 p.m. on Wednesday and 8:30 a.m. to 5 p.m. on Saturday.

The children's department will open from 10:15 a.m. to 5:15 daily.

The summer schedule for the bookmobile route starts July 6 at Granite City schools will be as follows: 9:30 a.m. to 1:30 p.m.

Beginning on Monday, July 6, July 20th and Aug. 3 at Sacred Heart; Tuesday, July 7, July 21st and Aug. 4 at Nemo; Wednesday, July 8, July 22nd and Aug. 5 at Frigid; Thursday, July 9, July 23rd and Aug. 6, Niedringhaus.

Monday, July 13, July 27 and Aug. 10 at St. Elizabeth; Tuesday, July 14, July 28 and Aug. 11 at Wilson; Wednesday, July 15, July 29 and Aug. 12 at Marshall; Thursday, July 16, July 30 and Aug. 13 at Washington school.

Stops at Belleme Village shopping center will be from 1 p.m. to 4:30 p.m. on Fridays, July 10, 17, 24, 31 and Aug. 7 and 14.

S/Sgt. Cobb Seriously Ill at Army Hospital

A Granite City soldier on his second combat tour in Vietnam has been hospitalized with a serious lung ailment, his parents were informed by the Department of the Army this week.

S/Sgt. Johnny R. Cobb, 32, son of Mr. and Mrs. Joseph L. Cobb, 2224 Edna street, was treated and hospitalized in Vietnam and evacuated Tuesday to a military hospital at Camp Zama, Japan.

The official telegram advised the parents that "Sgt. Cobb is seriously ill with a diagnosis of probable cancer of the lungs, which possibly is malignant."

He was initially treated and subsequently evacuated to Camp Zama, Japan, June 16. He was placed on the seriously ill list because, in the judgment of the attending physician, his condition is of such severity there is cause for concern, but no imminent danger to life.

"Please be advised that the best medical facilities and doctors have been made available and every measure is being taken to aid him," the telegram concluded.

S/Sgt. Cobb was assigned to the Company A, 84th Engineer Battalion, in Vietnam last September. He previously served in the combat area in 1967.

He attended Granite City high school and served four years in the U.S. Marine Corps before re-enlisting in the Army in the early 1960s. His wife, Sue, resides in Mesa, Ariz.

A younger brother, Lt. Autral Cobb, 24, currently is on his third tour of duty in Vietnam, serving this time with the 25th Ranger Battalion. The Cobb's have seven sons, all of whom have served in the Armed Forces in recent years.

It was Alderman Nonn, who jumped on that point. He advised council members, "We can't concur until the order comes to the council."

Alderman Moerlen added, "We have 30 days to appeal." Moerlen then commented he had attended the hearing as a spectator. "It was sure a screw way to handle a court.

The judge handled other matters while he was hearing this case. We can hold this up, because it hasn't been presented to the council.

Partney, in an aside to Scroggins, asked, "Why didn't you present this to the council?" The attorney did not answer. The motion to pay the women dispatchers was made by Alderman Rutledge, who asked

why the pay had not been included in the bill list. Rutledge pointed out that the council's action in withholding the pay was hurting two individuals. He added that the council should have taken action against the mayor for the appointments rather than holding up the pay.

Moerlen said the city has no ordinance specifying pay scales for police department dispatchers and that the women were transferred from other jobs to

the police department, receiving the same pay they had been getting. Moerlen added that the women were doing the same work as a policeman for half the pay, and that the mayor had not included pay for the dispatchers in his proposed new budget.

Partney replied there was money for dispatcher's salaries in his budget. Robertson interrupted to comment to the mayor, "You practice two laws—the state law and Partney law. Do you have

authority to move people?" "Judge Says So," the mayor answered, "The judge says so."

A roll call vote on the motion to pay the women was called for, but Partney first asked City Clerk Robert Stevens to read the court order.

After the order was read, Nonn remarked, "We still need a direct order from the judge."

Scroggins explained that he had received a copy of the order from the court, and that since he was representing

the city and was the city's agent in the case, the city had been properly notified. The vote was 4-to-12 against the payment.

Voting to pay the women were Aldermen Rutledge, Whitmer, Jarrett and Baker. Opposed were Nonn, Basarich, Boyd, Dallas, Moerlen, Parmley, Robertson, Poulos, Green, Dawes, Moerlen and Schuler.

7 Crashes in Area Injure 9; Other Mishaps

Seven Quad-City area auto accidents caused injuries to nine persons this week. There also were nine non-injury collisions.

Two young boys riding on a mini-bike were injured and admitted at St. Elizabeth Hospital at 2:30 p.m. Tuesday, after their machine collided with an auto at Maryville road and Woodlawn avenue.

Injured were Mark Besta, 13, son of Mr. and Mrs. Rudolph Besta, 2444 Woodlawn avenue, operator of the mini-bike, who sustained abrasions to the right forearm and left foot and un-

derwent x-rays; and David Weissenborn, 11, son of Mr. and Mrs. Herman Weissenborn, 2455 Woodlawn avenue, a passenger. The Weissenborn boy had cuts to the right elbow, contusions to the left arm and elbow and both knees and had x-rays.

Police said the boys were heading west on Woodlawn avenue, crossing Maryville road, when the bike collided with an auto operated by Michael W. Allen, 18, of 2200 Robert street, who was traveling south on Maryville.

Two Hurt in Crash
Two Collinsville men were treated at St. Elizabeth Hospital about 12:50 a.m. today for injuries suffered in an accident on Collinsville road at National blvd. in State Park Place.

Donald Rully, 55, was treated for chest injuries and abrasions to the left arm. He was transferred to Belleville Memorial Hospital.

Gene Bollertsen, 33, was treated for injuries to the left elbow and right knee and was released.

Sheriff's deputies said Rully was a passenger in a car driven by William Davenport, Collinsville, which collided with a car driven by Bollertsen.

Scott Boyd, 12, son of Mrs. Mildred Boyd, 1611 Second street, Madison, suffered a lacerated left knee and his bicycle was demolished about 12:30 a.m. Tuesday when he was

struck by a car on Market street near Washington avenue in Madison. The boy's mother told police the youth was struck by a blue car driven by a man who stopped briefly, looked at the boy, told him he would be all right and then drove away.

Boy, 6, Injured
Walter W. Moser, 6, son of Mr. and Mrs. John Moser, 2913 Willow street, was treated at the Granite City Army Depot hospital about 7 p.m. Monday for injuries suffered when the boy collided on his bicycle with a taxicab in the 3000 block of Dale avenue.

Police said the taxicab was driven by Donald R. Grafton, 400 Grand avenue, Madison, who told them the boy rode off the sidewalk into the side of his cab. The boy was treated for abrasions and contusions and released.

Motorcyclist Hurt
James Needham Jr., 22 of 731 N. 28th place, was admitted to St. Elizabeth Hospital following a motorcycle mishap. He was later transferred to Firmin Desloge Hospital, St. Louis, where he is in the intensive care ward in fair condition with concussion, abrasions to his right hip, both knees and a scalp cut. Details of the accident were not available.

SIMAPC Awards Program Set for Tonight
Quad-Cityans are among those to be honored this evening at the awards program to be held during the quarterly meeting of the Southwestern Illinois Metropolitan Area Planning Commission. The banquet is to be held at Fischer's restaurant in Belleville.

H. D. Karandjeff, local bank president, is president of the commission. Awards are to be made to recognize individuals and organizations for excellence in service or development in 1969.

Extent of Depot Property Use by U. S. Under Study

The amount of land and buildings which will be retained for use by the Army or other government agencies at the Granite City Army Depot is being studied and has not been decided, a Depot spokesman told the Press-Record today. The base is to be inactivated June 30, 1971.

Also unknown are disposition of strategic and critical materials, and the extent to which current facilities north and east of the warehouses will be retained for the support of active and retired military personnel.

"The number of personnel required to support these activities is unknown at this time, and the location of these activities Depot property has not yet been approved. Also, what is to happen to activities in support of the St. Louis area, such as part of the Station Supply, is also unknown," the spokesman said.

"Disposition of the household goods function and the property disposal function is uncertain. It now appears that not all of the property disposal function will be transferred to Scott Air Force Base. We will have to wait an official determination."

In summary, while the Depot function is being inactivated, we do not as yet know the extent to which the land and buildings will be used or the personnel to be authorized to support such use.

"To attempt to predict future use of land and buildings, or to predict situations, would be unfair to all employees because this could unwisely influence a far-reaching employment decision which, in the final outcome, must be made by each employee himself."

"Current regulations require that the Army provide security and firefighting protection for up to 15 months after excess

MORE ABOUT Venice Bond

tion would be built on the corner of Kitch and Brown street, adjacent to the Venice street department garage, with driveway entrances on both streets. The ground is available to the city, Lee said.

Mayor Lee pointed out that the city capital improvements are planned at this time and included in the new budget because of rapid progress recently in development of the city's Neighborhood Renewal housing program.

Under present plans to seek federal aid on a three-to-one basis, the mayor explained, the city can provide its one-fourth share in "credits" rather than in a cash outlay for future housing development. These credits, he said, may include capital improvements within the areas set up as urban renewal areas. The present program calls for North Venice to be established as such an area.

Other Credits Available
Consequently, the mayor noted, Venice takes advantage of a "credit" for the full amount of the cost for the recreation building in the North Venice area as part of its matching share on federal grants for housing purposes. In addition, he said, the city also may claim credits in its matching share of 50% of any improvements which serve an urban renewal area.

This means, he said, that the city also could credit \$50,000 of the fire station cost and \$50,000 of the city hall improvement cost to its matching share, on the basis of present construction estimates.

Planning for the housing program is now in its final stages

property is turned over to the General Services Administration for disposition, although this would require less than current manning."

Mrs. Dora Drag, 66, Dies This Morning

Mrs. Dora K. Drag, nee Wzorek, 66, of 2334 Delmar avenue, a native of Poland, was pronounced dead upon arrival at St. Elizabeth Hospital at 8:30 a.m. today. An inquiry will be conducted. She lived in Granite City for the past 3 1/2 years and prior to that in East St. Louis for many years.

Mrs. Drag was a member of Sacred Heart Roman Catholic Church. Mr. and Mrs. Karol Drag would have observed their 50th wedding anniversary on August 30.

Survivors include her husband, Karol; four daughters, Mrs. Walter (Rose) Lubarda, Mrs. Donald (Evelyn) Wells both of Belleville, Mrs. James (Mary) Palmer of Florissant and Mrs. Norman (Lorraine) Alexander of Granite City; a son, Steve A. Drag of Belleville; a sister, Mrs. Andrew (Helen) Dubish of Madison; two sisters and one brother in Poland.

Services will be conducted at 9 a.m. Mass on Monday at Sacred Heart Catholic Church, with burial taking place at Calvary Cemetery. A Rosary will be held at 8 p.m. Sunday at Solack's Funeral Home, 615 Madison avenue, Madison, where friends of the family may call after 2 p.m. Saturday.

Court Orders Reinstatement

An order of the Granite City Board of Police and Fire Commissioners dismissing Louis Mank as a police officer was reversed in circuit court at Edwardsville yesterday by Judge Foss Meyer.

The ruling ordered Mank reinstated on the police force with full pay retroactive to the time of his dismissal.

Judge Meyer based his ruling on hearing records and motions filed in a petition for administrative review in Mank's behalf following his dismissal.

The judge held there was a time lapse involved in some of the charges considered by the Board of Police and Fire Commissioners. He also maintained that there was a question of Mank receiving a fair trial in view of the fact that George Veizer, father of Police Chief Ronald Veizer, was a member of the police board during the Mank hearings.

The ruling allows 30 days within which an appeal may be filed. Leon Scroggins, Granite City Attorney who represented Chief of Police Veizer in the case, said today he does not know this time if an appeal will be taken.

Especially interested in the young people of the community, he organized a Youth Program of the Illinois District and served as vice-president of the South Illinois District and was treasurer of the Board of Pensions and Relief for the denomination from 1932 to 1941. Rev. Wintermeyer was elected by the Southern Illinois conference nine times as delegate to the General Synod.

He has served on various committees in the church at large and civic activities. At present he is serving as secretary on the Continuation Committee of the Evangelical Synod of North America.

When he arrived at St. Peter Evangelical Church, there were about 75 members, and at the time of his retirement the membership had grown to 359 members.

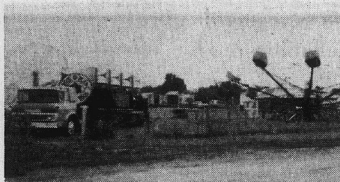

Awarded Diplomas

John T. Pempiller and Mrs. Constance Opich, both Granite Cityans, recently received diplomas for having successfully completed the defense inventory management extension course from the U.S. Army Logistics Management Center, Ft. Lee, Va. They are employed in the material management directorate, Army Aviation Systems Command, St. Louis.

After his retirement in 1953 he served as interim pastor followed by several years as interim pastor at several churches in the Illinois South Conference. He resides at 2559 Delmar avenue.

The public is invited to visit at the church Sunday afternoon and honor a man who has given so much of his time and energy, not only to his church members, but to the community through Christian endeavor.

MIDWAY TAKES SHAPE for the Granite City Jaycees' annual "Homecoming Celebration" set to start at 6 p.m. today at West 25th street and Missouri avenue.

Jaycees Homecoming Opens Today -- Runs for Four Days

The first large-scale carnival to be held in the West Granite area in the past 30 years starts at 6 p.m. today when the Granite City Jaycees' "Homecoming Celebration" gets underway at West 25th street and Missouri avenue.

A wide assortment of midway rides, including several new attractions, games and a variety of food items and beverages, furnished by local service clubs and organizations, will be offered patrons, according to Al Delay, Jaycee Homecoming chairman.

Nightly entertainment will be featured, with the "Burlington Route," a local pop group playing for dancing from 7 to 11 p.m. tonight and Sunday and a country-western show presented from 8 p.m. to midnight on Friday and Saturday.

Admission to the carnival is free. Midway rides this year include a large ferris wheel, tilt-a-whirl, fun-house, octopus, rock-a-plane and round-up rides. Kiddie matinees with rides costing 20 cents each will be held from 2 to 5 p.m. Saturday and Sunday.

A special attraction this evening will be an appearance by the eight Miss Granite City contestants who will compete for the local beauty-talent title on Sunday, June 25.

Home-made tacos and bratwurst, and other specialty foods will be available from local groups and an open-air beer garden will be sponsored under the direct supervision of Jaycees members, the chairman said.

The Jaycee officials noted that all proceeds derived from the celebration by the Jaycee organization are used to further various youth programs and other charitable activities, conducted year-around by the young men's service club.

Champions Plan New And Larger Gift Shop

Frank and Helen Champion, owners of Maryland Bi-Rite market, 2305 Pontoon road, are announcing plans for enlarging their gift and card shop by opening Champion's Potpourri Gift and Card Shop at No. 6 Pontoon Plaza. They expect to open the new and enlarged shop in the Pontoon Beach shopping center in early fall.

The new shop will feature a wider selection of gifts for all occasions and for all ages to include jewelry, leather goods, decorative glassware, clocks, plaques, silverpieces, Fanny May candles, Ambassador cards and an imported line from Alfred Mandler. Other items will include table service, invitations, favors and many party appointments. Gift items will be specially wrapped on request.

The sewing aids and gift card line will be retained at the Bi-Rite market.

ments amounted to \$112,290, including \$64,235 for salaries, \$22,071 for materials and \$25,894 for operating costs.

For the purchase of a second bookmobile, the library board has built up a reserve of \$27,500. The 1969-70 circulation through the bookmobile totaled 49,910.

In addition to circulation, the library staff of 10 persons, including custodians, handled an estimated 140,000 reference transactions in the fiscal year.

The proposed 1970-71 library budget totals \$187,000 with the added \$25,000 for a branch library.

Olin Plant Promotes Former GC Resident

Gordon F. Rhine has been named to the newly-created position of manager of loss prevention for the Olin Works ammunition operations at Olin's plant in East Alton. He was promoted from the position of medical administrator.

Rhine, a former Granite Cityan, joined Olin at its subsidiary United States Defense Corporation in St. Louis in 1961 as a safety engineer. He was transferred to the Olin Works in 1967 as a safety inspector and has been in various positions in the Olin Works Administration Department. As medical administrator, he was assigned as project officer on Olin's recently completed medical facility.

He is active in a number of safety organizations, including American Society of Safety Engineers, Veterans of Safety and Madison County Safety Council. He is a graduate of Granite City high school and attended South-

Children Hit By Car, Refuse to Tell Names

Three small children — two boys and a girl — who were bumped by a car backing out of a driveway, declined to give their names or addresses and ran off, although one of the boys had a bump over his left eye, Mrs. Maxine Geldbach, 1700 Edwardsville road, reported to Madison police Tuesday afternoon.

Mrs. Geldbach said she was backing out of a driveway in the 1700 block of Fifth street when she heard a child scream. She said she found the three youngsters at the rear of her car, their coaster wagon jammed beneath the auto. The youngsters refused to identify themselves, she said.

Mrs. Geldbach later made a search of the area and learned the address of the family, she told police. She said she talked with the children's aunt who assured her the children were unharmed.

CD Director Explains Tornado Alert Policy

Inquiries related to sounding of Granite City's network of warning sirens show some residents still are confused as to the meaning of alert signals and the actions they should take, Granite City Civil Defense Director Victor H. Koenig, said this week.

Koenig stressed that Granite City's sirens are the standard tornado alert signal—a three-to-five-minute steady blast on the sirens—should immediately turn on their radios for information.

Most important, the public should be aware that no all clear signal is sounded on the sirens, the director emphasized. An all clear is signalled only by the U.S. Weather Bureau, transmitted over area radio stations.

Error on Sunday
Koenig noted that double sounding of the sirens early Sunday evening was in error. The first warning signal was initiated upon instructions received at police headquarters here from the U. S. Weather Bureau through a warning relay system connected to state police headquarters.

Within minutes of the first siren blast, a second alert signal sounded after local residents notified authorities that a tornado funnel had been sighted in the immediate area. Sirens are activated only when tornado conditions are moving into the Quad-City area, or an actual tornado is sighted, the civil defense official stressed.

The CD director offered the following safety rules to be observed during a tornado alert: "Immediately sirens sound—turn on radio."

"In homes—on receiving warning, the basement usually offers the greatest safety. Seek shelter under a sturdy workbench or heavy-table is possible. In a home with no basement, take cover under heavy furniture in center part of the house. Keep some windows open, but stay away from them."

"In schools—whenever possible, go to an interior hallway on the lowest floor."

"Avoid auditoriums and gymnasiums or other structures with wide, free-span roofs. If a building is not of reinforced construction, go quickly to a nearby reinforced building or to a ravine or open ditch and lie flat."

"In open country—move away from the tornado's path at a right angle. If there is no time to escape, lie flat in the nearest depression, such as a ditch or ravine."

Mobile Homes
"Mobile homes are particularly vulnerable to overturning during strong winds. Trailer parks should have a community shelter."

Under Illinois law, use of the sirens for severe weather forecasts or tornado watches is not permitted, Koenig explained. Only in the event a tornado warning is received at Granite City police headquarters from the official warning network or a funnel cloud sighted prior to the formal warning signal may the sirens be activated.

Tests conducted at 10:30 a.m. each first Tuesday of the month, unless threatening weather prevails, also include the "Take Cover" signal—a three-minute wavering or intermittent blast on the sirens, which signifies an enemy attack. All residents are directed to immediately take cover in the nearest fallout shelter should the second signal alert be sounded.

Auto Catches Fire
A carburetor backfiring caused an estimated \$30 damage to a 1964 auto, owned by Walter Conklin, 2100 Missouri avenue, at 1:45 p.m. Tuesday. The blaze, extinguished by firemen from the main station, occurred in the 1300 block of Nineteenth street.

Address in Error
An address for a man arrested on two charges last Friday was listed erroneously in Monday's issue. Instead of the 2200 block of West 20th street, it should have been the 2700 block.

E-W Gateway to Join Planning Of 2nd Airport

The East-West Gateway Coordinating Council agreed Monday with a recommendation of its executive advisory committee that the council help plan the second major airport proposed for construction in the Illinois segment of the metropolitan area.

The agency dropped a suggestion that it help pick a site for the proposed airport, pointing out that the state of Illinois and the city of St. Louis have made it clear they will pick the Illinois site and that the Gateway Council therefore could not realistically expect to assist.

Recommendations that the Gateway Council participate in selection of the site originated with the agency's Transportation committee which made the suggestions in its report to the executive advisory committee. The EAC dropped that recommendation, however, in its suggestions to the Gateway Council board.

Eugene G. Moody, executive director of the council, said it should have an increased role in planning for the airport, pointing out that if the council does not become involved now, it would be ill-equipped later to review requests for federal aid in construction of the airport.

Provides Joint Authority
Development of the airport has been proposed by Illinois and the city of St. Louis in a recently announced agreement between Gov. Ogilvie and Mayor A. J. C. Carvantes. The agreement provides for establishment of a Municipal Airport Authority with equal representation from each of the two bodies.

During Monday's council session, Darby Tally, editor of the St. Charles Journal, urged the council to cooperate with a Missouri legislative committee set up recently to study the airport situation.

Col. R. E. Smyser, executive director of the Bi-State Development Agency, said the Gateway Council should be concerned about ground transportation to the airport and the airport's impact on the environment.

"Otherwise," he said, "we may build something great for the airlines, but for nobody else."

Frank Grob, 72, Dies; Brother of GC Resident

Frank L. Grob, 72, of St. Louis, the brother of a local resident, died at 10:30 a.m. Tuesday at St. Anthony's Hospital, St. Louis, where he had been a patient three weeks.

A native St. Louisan, Mr. Grob was well-known in this area. He was a retired employee of Mallinckrodt Chemical Corp.

Surviving are his wife, Arvalla; three sons, Frank J. Grob, of Champaign, Ill., Philip A. and Kenneth N. Grob, both of St. Louis; one daughter, Mrs. Delores Jenkins of Kansas City, Kan.; two brothers, Joseph P. Grob, 2863 Washington avenue, and Clarence Grob of St. Louis; and several grandchildren.

Funeral services are scheduled at 8:30 a.m. Friday at the Church of the Resurrection of Our Lord, St. Louis.

Housing Authority Makes Annual Payment

A payment of \$22,817 by the Granite City Housing Authority representing 10% of the shelter rent in lieu of 1969 taxes was turned over to City Clerk Robert W. Stevens Monday night.

The funds are to be distributed to local taxing agencies, but the exact amounts have not yet been determined, Stevens said yesterday.

New Jr. College District Buys Monticello College

An agreement has been reached between the trustees of Monticello College and the Lewis and Clark Community College District 536 for the sale of the Monticello campus and facilities. Announced sale price was \$4-million, payable over the next few years as funds become available from the State of Illinois to supplement the local funds. The announcement was made Tuesday.

The boards of Monticello and District 536 have already signed a purchase agreement which is subject to the approval of the

Illinois Junior College Board which will meet on July 10. Speaking for the District 536 Board, Chairman Paul Hanks expressed appreciation to the Monticello board for its cooperation in working out the acquisition problems with the Community College District. He praised the beauty and size of the campus and commented on the quality and usefulness of the buildings.

"No other college has ever begun with such a head start in its building program," Hanks said. "This puts our district

ten years ahead in its plans and developments for curriculum and facilities." In acquisition of site and development of buildings, the state of Illinois shares the expense with the local district by providing up to 75% of the costs when matched by the local district's 25%.

It was emphasized by both boards that the strong Monticello educational program will be continued through this school year, and possession of the premises will not be turned over to Lewis and Clark until the end of this academic year, June

30, 1971. As previously announced, a recent move by Monticello to offer educational services to District 536 students marked a first step in this cooperative program.

Proceeds of the sale, when they become available, will be used for retiring the indebtedness which Monticello has accumulated. With regard to the college's recent New Heritage program, all donors will be furnished information at a later date regarding disposition of these funds.

Under this contract for sale,

Monticello retains possession of the premises for educational purposes through the month of June 1971, at which time the property and buildings will be turned over to the Community College District. Under the agreement, the Community College will receive about 180 acres, eight major buildings and many smaller ones, all adaptable to educational use.

2 GC Fire Dept. Captains Resign After 20 Years

The resignations of two Granite City fire department captains, effective June 30, were accepted Monday night by Granite City council members. Both Capt. Floyd M. Bell and Capt. Frank Graf Jr. are completing 20 years service on the department and will receive pension in private industry.

Council members voted to present certificates of appreciation to both captains for their services to the community.

Granite City PRESS-RECORD

Thurs., June 18, 1970 Page 7

Mayor Partney commented Monday night that "after 20 years and with a good retirement plan, a city employee can go out and build up another pension in private industry."

Capt. Graf explained he was resigning because of ill health. Capt. Bell listed no reason.

Dr. Buzan Quits County 708 Board

Dr. Edwin Buzan, an Alton physician, has submitted his resignation as a member of Madison County Mental Health 708 Board, effectively immediately.

Dr. Buzan, an original member of the board which handles the Madison county mental health tax funds, told the Press-Record Tuesday he was resigning due to "a press of time at his offices and home."

He added that he sees no actual need for a physician to be on the 708 Board, adding that he had submitted his resignation at this time since the problems between the 708 Board and the Quad-City Mental Health board had been resolved last week.

He has been a board member for 3½ years.

John Schillinger, 83, Dies; Ill Three Years

John Schillinger, 83, of 1524 Pontoon road, a lifelong resident, died at 12:35 a.m. Wednesday at St. Elizabeth Hospital. He had been hospitalized for 10 days following a three-year illness.

Mr. Schillinger was a member of St. John United Church of Christ and belonged to World War I Barracks 34, the American Legion, VFW Post 1200 where he was a past commander, Masonic Lodge 835, New Hope Chapter Order of Eastern Star 424, Nanticoke Odd Fellows Club, and the Last Man's Club of the American Legion.

He also held membership in the Rebekahs, and was a charter member of Ann Rutledge Lodge. He was a 36-year member of the Odd Fellows.

He retired from General Steel Industries as a guard several years ago.

Survivors include his wife, Vera; a stepson, James Todd of Granite City; three brothers, George and Henry Schillinger, both of Granite City and William Schillinger of South America; two sisters, Mrs. Anne Kunemann of Granite City and Mrs. Mary Speed of Rosamond, Va.; nine grandchildren and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

New Arts Group Seeks Talented Performers

Young people and adults from the Quad-City area are invited to take part next week in a "Search for Talent" project, to be conducted on three afternoons by the Venice-Madison Fine Arts Committee. Assisting will be instructors from the SIU-SW Center for the Performing Arts, headed by Miss Katherine Dunham, well-known entertainer and center director.

Officials of the newly-organized Fine Arts Committee said the services of local talented individuals and groups are needed to incorporate into the committee's proposed summer concert and variety series. Programs planned by the committee will be presented to the public throughout the coming summer months.

Auditions for musicians, individuals and rock-pop groups, will take place from 1 to 3 p.m. Monday at the Venice Community Center on Broadway, under the direction of Donald Mancill, director of bands for the Venice schools.

Tryout sessions for vocalists and gospel choruses will be held from 1 p.m. to 3 p.m. Wednesday, at the same location, with Emmett Timmons of the Madison school district in charge.

Dancers may audition for Ural Wilson of the SIU-SW Center on Thursday afternoon during the same hours and at the same place. Wilson will be assisted by Miss Rosemary Ricks and other members of the center's student body and staff, it was learned.

Vandals Damage Trucks
Two trucks parked at the Hamilton Packing Co. in Madison were damaged by vandals who apparently used pellet guns, Madison police reported at 3:50 p.m. Tuesday. Officers said three holes were shot through the left side window of another truck. The cover of an air conditioner on top of the building also was dented by pellet shots.

Rentals, Eagles, Jets Gain Wins

Northtown Rentals smashed Gitchoff Agency 2-0, Eagles beat Midtown Pharmacy 11-5 and Jets downed Mercer 5-2 in high school boys' softball at Wilson Park Tuesday.

Northtown's 202 hitting advantage and ten enemy errors ended the game after five innings due to a 20-run rule. Ken Simon provided four-for-four bat work and Jim Lipscomb homered for Northtown.

Midtown led 5-0 after three innings. The Eagles had rallied to tie the game by the end of the fifth and won with a sixth-run sixth frame. Their Dave Meier homered.

Jets recorded decisive runs in the fourth. Four batters hit and later scored: Phil Lancaster, Jerry Owens, Steve Signal and Dwain Georgeff. Roger Short singled home the final run.

25 Games Next Season For Basketball Cougars

New varsity coach Jimmie Dudley of SIU-SW today announced the Cougars' 1970-71 basketball schedule.

The Cougars cagers will play 25 games, 14 on the road and 11 at home, Dudley said. This is a season increase of two games. The new head coach said, "Harry Gallatin prepared a real challenge for me and the boys in my first year."

Gallatin, basketball coach here since the game was inaugurated as a varsity sport at the southwestern campus three years ago, gave up the job at the end of a 7-16 season to devote full time to his position as head of intercollegiate sports and assistant dean of students.

Dudley came to SIU-SW after three successful seasons as head basketball coach at Lake Land Junior College, Matteson.

New schools added to the Cougars' schedule are the University of Tennessee at Martin; Tennessee State, Nashville; University of Wisconsin, Milwaukee; Culver-Stockton, Canton, Mo.; and Lincoln University, Jefferson City, Mo.

Dropped from the schedule were Washington University, St. Louis; J. F. Kennedy College, Wahoo, Neb.; MacMurray College, Jacksonville; Milton College, Milton, Wis.; and Western Illinois University, Macomb. All of these teams were dropped, Dudley explained, because dates could not be agreed upon.

The Cougars will open their campaign Dec. 1 against the University of Missouri, St. Louis. Rivermen in the first game of a doubleheader at the St. Louis Arena. St. Louis University will oppose Washington University in the second game.

1970-71 Schedule
Dec. 1—at the University of Missouri, St. Louis; Dec. 3—at McKendree, Dec. 5—at Blackburn; Dec. 8—University of Missouri, Rolla, here; Dec. 12—Concordia Seminary, St. Louis, here; Dec. 18—University of Tennessee, Martin, here; Dec. 21—at the University of Illinois, Chicago Circle.

Dec. 22—at the University of Wisconsin, Milwaukee; Dec. 23—at University of Wisconsin, Kenosha; Jan. 1—at University of Tennessee at Martin; Jan. 4—University of Illinois, Chicago Circle, here.

Junior Tennis Meet
Planned July 20-25
The St. Louis District Tennis Association's annual junior tennis championships will be held July 20-25 at the Dwight Davis Tennis Center and the Triple A Club in Forest Park.

Players, 18 years old or less, are limited to two events—one singles and one doubles. Fees range from \$6 to \$14. U. S. Lawn Tennis Association enrollment cards are required.

Activities will include a dinner on July 19, a Cardinal baseball game and theater tickets.

Entries close Thursday, July 9, at 6 p.m. Applications may be obtained by mailing requests to: Mrs. M. C. Treesh Jr., St. Louis District Tennis Association, 4234 East Broadway, East St. Louis, Ill. 62201.

Mizerski Class Wins
The fourth hour physical education class at Granite City high which won the annual sophomore intramural track and field meet was coached by Charles Mizerski, a former GCHS standout athlete.

Legionnaires Get Good Pitching But Bow 1-0

American Legion Post 113 twice left the bases loaded but lost 1-0 at Dupo Tuesday, even though strong defense and Ed Hagnauer's pitching kept the hosts scoreless through the regulation innings.

In the eighth, Dupo's Mike Hares tripled for the only extra-base hit of the game and was singled home.

Hagnauer, allowing nine hits for the evening, worked out of several pressure innings. In the first, there were two hits before there were any outs. Infielders then scooped up two simple grounders and Hagnauer threw strikes for the third out.

Again in the sixth, Post 113 had to be on its defensive tips. Two were on base with only one out, but the threat ended with two infield popouts.

Lack Timely Hitting
Intense threats were aimed against Dupo in the third and fifth as Post 113 left a total of 11 runners on base in the contest.

Two more league games are in store over the weekend. Post 113 will visit East St. Louis at 2 p.m. Saturday with Ron "Deacon" Simpson starting on the hill before coming home to Wilson Park for a 2 p.m. Sunday return bout with Wood River, which is also tonight's hit.

On Monday night, there will be an exhibition game at Carlyle.

In other league conflicts Tuesday, Steve Joehl hit a three-run homer in the first inning, helping Alton beat Edwardsville 6-4 in an extra inning. East St. Louis' Carl Hall pitched a four-hitter to beat O'Fallon 3-1.

Chuck Stratton's two-run homer put Wood River ahead of Highland 2-0 in the sixth but Highland rallied and the game ended tied 2-2, halting due to darkness.

GCAR Postpones Meet
The Granite City Association for retarded has postponed its regular monthly meeting and the installation of new officers until 7:30 p.m. Monday, June 29, at St. John United Church of Christ fellowship hall. It was announced today. The meeting was scheduled for next Monday.

Big First Innings Aid Softball Teams

Hunter's Cove defeated Jacobsmeyer 15-3, Midtown Pharmacy blanked American Legion 17-0 and Hook's beat Tony & Joe's 5-3 in Claude Pool-St. & Over League softball at Wilson Park Monday.

Hunter's gathered eight runs in the first. Cotton Singler led the winners with a three-run homer and two singles.

Bob Borchers, with four hits, including a triple, paced Midtown to a 22-7 hitting advantage. Five consecutive opening hits gave Hook's two runs. Four hits, including a two-RBI double by Oren Harrison, added three more runs in the second.

Close Competition In Southern League

Bob's Bait Shop beat W&W Confectionery 7-4. Coachlites defeated Miles Lab 8-3 and Jacobsmeyer shaded Mercer 9-5 in Southern Classic softball at Worthen Park Tuesday.

Bob's collected fewer hits than W&W but with the help of several errors had four-run and three-run innings.

Coachlites jumped ahead in the early innings and maintained the lead with Dale Wadlow's three safeties, including two doubles, and John Janek's home run.

Two runs in the sixth and five in the top of the seventh by Mercer tied the game 8-8, but Jacobsmeyer's Don Redford, who batted three-for-three, later crossed the plate with the winning run. Ron Davis homered for Jacobsmeyer in the third.

All-League Athlete To Enroll at SIU-SW

Ken Desmarre, 18, a 6-1, 185-pound guard on the basketball team and pitcher-third baseman on the baseball team at Elmwood Park high school in suburban Chicago, will enroll at SIU-SW. Jimmie Dudley, head basketball coach, has announced.

Shooting with nearly 50% accuracy from the floor, Desmarre averaged 19 points per game and hit at a 75% clip from the free throw line. He is a pre-engineering student and was in the upper 10% of his senior class.

In baseball, he hit .309 as a sophomore, .340 as a junior and .380 as a senior. He was named all-conference in both basketball and baseball.

Bricklayer Team Bombards Eagles

Bricklayers bombed the Eagles 24-2, Haggop's Heroes needed out Jets 2-0 and French Quarter won by forfeit from the Oddballs in Western Classic softball at Worthen Park Monday.

The Bricklayers' power slug left little hope for the Eagles, who garnered only scattered singles. Top batters were: Dave Sauss, homer and three triples; Randy Shadt, double, triple and homer; Gary Cubser, three singles and a triple; and John Stewart, double and home run.

Haggop's runs scored on Rick Lesko's RBI single and Mike Asadorian's solo homer.

HURDLING TO CALIFORNIA. Granite City high's Mike Allen practices his hurling form yesterday at GCHS, preparing for the Golden West track meet Saturday at Sacramento, Calif.

National Spotlight on Hurdler Allen in West

Hurdler Mike Allen and GCHS head track coach Donald Miller headed an airplane today en route to the nation's best prep competition in Saturday's Golden West meet at Sacramento, Calif.

Accompanying them were Tom Stock, Illinois state record holder, and Coach Norman Armstrong of Belleville West.

The coaches and athletes have among their luggage the gear for doing athletic battle in track and field.

Miller, a stopwatch, aspirin and such; Stock, his personal lead shoes, looking like small cannonballs; and Armstrong, a tape measure just in case a measurement double-check seems needed.

Reagan to Give Award
California Governor Ronald Reagan will present the most outstanding athlete award for the meet, which has hosted such great names in sports as: distance runner Jim Ryan, current Big Eight premiere sprinter Mel Gray, quarter-mile Ulla Williams, hurdler (and football star) Mel Kentro, shotputter Dick Inman, hurdler Bill Tipton and many lesser known U. S. prep record holders.

Ulla Williams in 1961 set a national record of 46.1 seconds which still stands for the 440-yard run. It is tied for the outstanding national prep record.

Allen will be running in the 330-yard intermediate hurdles.

20-Hit Attack Tops Homers by Brandon

Keith's Lounge outlasted Pieper 13-11, Jim Green Construction topped Has Bems 12-8 and Jim Between beat Andrea's Li-quois 11-7 in Eastern Classic softball at Worthen Park Wednesday.

Pieper had the big hitters: Larry Brandon slugged home runs in his first two trips to the plate, later adding a double, and Joe Hoffman had four hits, including two doubles. But Keith's had the most hits, 20-17, and the least errors, two mistakes to Pieper's five.

Green collected an 18-9 hitting edge, including Brett Bjorkman's homer and Rich Smallwood's four-for-four batting.

In between hitters were paced by Tony Zimmerman, four-for-four, and Ron Corey, with a single, double and triple in three at-bats.

Spring Car Racing Here Friday—If the Weatherman Permits

Auto racing this season at the Tri-City Speedway is breeding a new type of sports fan and it's obvious to the regular fans that the new type isn't just a "fair weather fan."

Waiting to see if the racing program is canceled or hindered by rain is becoming as big a spectator sport as going to the races. At least the "what do you think will go wrong this time" fans have seen more action than the regular fans.

On Friday, W.B. Spalding and the group will try again. Time trials, as always if at all, are set for 7:30 p.m. and the racing—be sure to bring an umbrella—is slated to start at 8:30.

Those weather predictions of "100% chance of rain" have caused most of the problems. Either rain during the day or the day before flooded the speedway's grounds or the "100% chance" has waited until the races have started to make its presence felt.

Last Sunday, special races were planned—and a special problem developed. U. S. Auto Club midget car races were beginning when a tornado cloud appeared in the sky and moved above the track.

Last Friday, a different problem occurred. Though the weather was still indirectly at fault. Lighting on the half-mile oval blacked out. Water from an earlier rain had short-circuited some of the wiring.

The program was run on the other oval at the speedway, the quarter-mile track, but the results were familiar: Spalding won the feature again.

Twenty-five sprint cars are expected, including drivers Dick Sutcliffe, Bill Uiz, Russ Ribbard, Jimmy Moughan, Flea Atkinson, Chuck Lynch, Chuck Weyant and Spalding.

Annual Jeep Racing Weekend to Begin

Jeep racing, anyone? The four annual races for four-wheel drive enthusiasts are set for this weekend at Diermann's Lake off Highway K. O'Fallon, Mo., sponsored by the metropolitan St. Louis 4x4 Explorers Club. Mr. and Mrs. Lowell Travis, 1929 Benton street, placed first in the barrel event last year.

There will be racing around barrels, drag races, slalom events and an obstacle course. Anyone is invited and they do not even need a four-wheel drive car to enter; an ordinary two-wheel-powered auto, and courage, will be sufficient.

Entry fees are \$5 each for the slalom, barrel and drag races and \$20 for the obstacle event, or \$30 for all four. \$500 in prizes and cash will be awarded.

Camping will begin Friday night. Registration, vehicle inspection and time trials are set to begin at 6 a.m., with racing starting at 10 a.m. and continuing through the afternoon with finals held in slalom and drag racing.

Barrel and obstacle finals will be held Sunday along with a "blindfold race."

Miss Granite City Pageant To be Staged on June 28

One of eight young women will be crowned Miss Granite City at the 1970 beauty-talent pageant to be held at 8 p.m. Sunday, June 28, in the auditorium at Granite City high school.

The contest, sponsored annually by the Granite City Jaycees, enables the new title holder to represent the local community in the Miss Illinois Pageant, slated to be held this year in Aurora, the week of July 20-26.

Rehearsals for the event, to select a successor to Miss Dottie DeWitt, Granite City's 1969 contest winner, currently are under way at the Jaycee clubhouse. Contestants also will be introduced to Quad-Cityans this evening at the Jaycees' "Homecoming Celebration."

The 1970 candidates include two blondes, four brunettes and two light brown-haired misses.

Age-wise, they are evenly divided, with four contestants 18 years and four 19-year-olds.

Tickets for the pageant, which will have as its theme—"A Star is Born"—are available from Jaycee and Jaycee members, Bob Fry, pageant chairman said today.

Candidates are: Miss Katherine L. Arbeiter, 18, daughter of Mr. and Mrs. Charles V. Arbeiter, 2443 State street; Miss Ruth Ann Diak, 19, daughter of Mr. and Mrs. George Diak, 3023 Iowa street; Miss Lana Sue Earnhardt, 19, daughter of Mrs. Rosie Lee Earnhardt, 2312

Hodges avenue; Miss Debra Jeanne Harrison, 19, daughter of Mr. and Mrs. Oren Harrison, Rural Route Two, Box 7941; Miss Debra Lynn Harrington, 18, daughter of Mr. and Mrs. Ellis Herring, 2501 East 25th street; Miss Deborah Kay Hightower, 18, daughter of Mr. and Mrs. Benjie Hightower, 3129 Myrtle avenue; Miss Constance Lynn Rotter, 18, daughter of Mr. and Mrs. Robert Rotter, 2433 Pine street; and Miss Deborah Marie Scaturro, 1409 Riviera drive.

Brief biographical data is published today on four contestants. Similar information will appear on the remaining candidates in Monday's issue, and complete details on all contestants in Thursday's newspaper.

Katherine L. Arbeiter will present a piano selection, "Love Theme from Romeo and Juliet" as her talent. She weighs 118 pounds and is five feet four inches tall. Her measurements are 35½-25-35.

Ruth Ann Diak, who is five feet seven inches tall, measures 35-25-35. She weighs 120 pounds. A popular singer, she will sing a song from "Hello Dolly" as her talent presentation.

Lana Sue Earnhardt will perform in a song and dance routine. She is five feet 7½ inches tall and weighs 127. Her measurements are 35-25-36.

Constance Lynn Rotter will sing a medley from "Sweet Charity" for her special talent. She is five feet six inches tall and weighs 112. Her measurements are 36-25-36.

GRADUATION PARTY FOR MISS SULLIVAN

Miss Shirley Sullivan was guest of honor at a graduation party this week given by her parents, Mr. and Mrs. Lester Sullivan in their home, 1716 Ferguson avenue. Miss Sullivan received a BS degree in Education Saturday evening at SIU-SW.

Guests attending were Mrs. Ruby Carman and children Naomi and David, Miss Debbie Slay, Mr. and Mrs. William Sierman, Mr. and Mrs. Robert Cuvor and children Robbie and Scott, Mr. and Mrs. Wilbur Flowers and children Virgil and Brian, Mr. and Mrs. William Rainwater and children Kevin and Eric, Miss Carla Flowers, Mrs. Jean Sullivan, Edward Sullivan, Mr. and Mrs. Harold Sullivan and son Eddie.

Miss Laura Drane, Mr. and Mrs. Dwayne Sullivan and daughter, Laura Ann, Mr. and Mrs. Robert Sullivan, Mr. and Mrs. Marlon Peterson and daughter Christina, Larry Sullivan, Mrs. Viola Lich and daughter Paula, Mr. and Mrs. John Ashcraft, Mr. and Mrs. Walter Cant, Mr. and Mrs. Melvin Richardson, Mr. and Mrs. Wilbur Pryor and Kevin, Mr. and Mrs. Ray Sullivan, Linda, Brenda, Alan and Darrell Sullivan.

MRS. WILKERSON IS HONOREE

Mrs. Elaine Wilkerson was honored at a bridal shower this week given by Mrs. Gilbert Rosch and Mrs. John Hogan in the Rosch residence at 62 Oaklawn drive.

A pink and white color theme was used in the decorations throughout the rathskeller where the guests were entertained at a tea.

Those attending were Mesdames Sandy Clutis, Ruth Azari, Irene Dykes, Virginia Roby, Nancy Berascoe, Carol Webb, Marilyn Schooley, Linda McKeehan, Mildred Smith, Ann Burton, Mary Brees, Eleanor Brees, Mrs. McCordie, Stella Miller, Evelyn Thompson, Chloé Robertson, Dolly Robertson, Polly Robertson, Miss Linda Jones and Lisa Thompson.

BIRTHDAY PARTY FOR MRS. WILLTROUT

Mrs. Owen Willtrout was guest of honor last night at a birthday party given by her family at the Willtrout home, 329 English place.

Present were Mr. and Mrs. Harry Wallace and family of Affton, Mo., Alie Delbert Willtrout, stationed at H. I. Sawyer AFB in Michigan, Mr. and Mrs. Ben Willtrout, Mr. and Mrs. Sam Morton and family, Kenneth Morton, Mr. and Mrs. Leo Scaturro Jr., the honoree and Mr. Willtrout.

Trades Council Backs United Fund Campaign

The Tri-City Trades and Labor Council, meeting in regular session last night, unanimously endorsed the 1970 United Fund drive and urged union locals to contribute to the campaign. Thirty-six locals were represented by delegates attending the session.

The council also renominated all incumbent officers for reelection without opposition in the regular election of officers scheduled July 15, with one exception.

In the election of two trustees, incumbent Gene McGovern of Carpenters Local 633 is unopposed for reelection but incumbent George Amish of the Teachers Federation is opposed for that trustee post by Robert Walkenbach of United Steelworkers Local 4804.

Board Bids Farewell To Capt., Mrs. Thomas

The Salvation Army lay advisory board said farewell to Capt. and Mrs. Harold F. Thomas at a special meeting Monday afternoon at the Grand Cafe annex. The officers-in-charge of the local Corps are to report July 1 to Jefferson City, Mo., at their next assignment.

Chairman Richard West presided and led a discussion of building needs.

Welders' Complaints At GSI Resolved

Grievances that resulted in a brief work stoppage by several welders on the first shift at the Commonwealth Plant at General Steel Industries yesterday morning were resolved during the afternoon and all subsequent shifts have reported without complaints, a company spokesman said today.

The spokesman said the complaints involved a cleanup problem in the vicinity of some large castings, and that the problem was corrected. There was no interruption of production, he said.

Madison Avenue Crash

While halted for a traffic light at 23rd and Madison avenue, at 12:32 p.m. Wednesday, an auto operated by Charles L. Green Jr., 3136 Davis avenue, was struck at the rear by a vehicle driven by Glenn D. Fornazewski, 2201 Lynch avenue.

Nurses Alumnae Holds Dinner

A pot luck dinner served by the hostesses, Mrs. Pat Tapp, Sister Mary Marce, Sister Mary Michael and Mrs. Blanche Blake, was a highlight of the monthly meeting of St. Elizabeth Hospital Nurses Alumnae Association Tuesday evening.

It was held at the hospital, followed by a business discussion and adjournment until Sept. 15.

Reports were given by Sister Marce, president; Mrs. Georgia Harlow, treasurer; Mrs. Martha Bischoff, vice-president; and the ways and means committee announced plans for a refreshment stand at the Jaycee's Homecoming grounds, June 18 through the 21; also a refreshment stand at Wilson Park during the July 4 celebration and picnic.

Those attending Tuesday's meeting were Miss Mildred King, Sister Mary Jerome, Sister Mary Pauline, Sister Mary Michael, Sister Marce, Miss Ann Klarch, Mrs. Blanche Blake, Mrs. Roberta Gerke, Mrs. Edna Wallace, Mrs. Catherine Delaney, Mrs. Clara Krause, Mrs. Amelia Rapp, Mrs. Gushleff, Mrs. Harlow, Mrs. Maxine Carson and Mrs. Tapp.

Engagement Is Announced

Mr. and Mrs. Ned B. Johnson of Conyngham, Pa., are announcing the engagement of their daughter, Miss Louise Phipps Johnson, to Ronald Ralph Hall, a son of Mr. and Mrs. Ralph T. Hall, 3664 East 28th street. The wedding is scheduled for July 18.

The bride-to-be is a 1965 graduate of Hazleton high school and the McCann School of Business in Hazleton, Pa., and the John Robert Powers School in Philadelphia. She is residing now on Madison avenue, Granite City.

Before locating here, Miss Johnson was employed as a secretary in the history department of Temple University in Philadelphia. She is presently employed in St. Louis.

Her fiance, a 1965 graduate of Granite City high school, recently completed four years military service and was honorably discharged from the Naval Air Development Center in Warminster, Pa. He is now a McDonnell-Douglas Corp. employee in St. Louis.

DeMolay Mothers Honor Officers

The past presidents of the DeMolay Mothers Club were special guests Tuesday evening at a meeting of the club at the Masonic Temple.

They were Mesdames Pauline Schiff, Ella Wade, Sadie Jones, Jean Hileman, Frances Cook, Marie Naeve, Bernice Fitzpatrick, Louise Orr, Dottie Knippling, Florence Spohr, Berdine Holtzcher, Evelyn Ringering and Hilda Few.

Business was discussed, and plans were made to participate in the Nameoki Village "Charity Days."

Others present were Peggy Reeder, a guest, and Mesdames Peggy Mangan, Jo Ann Harrison, Lois Hollenbeck, Jo Meyer, Shirley Schilling, Ruth Norton, Frankie Hickey, Carolyn Ledbetter and Helen Love.

Mrs. Betty Ebert, president, was in charge.

Newcomers to Show Fashions

The Granite City Newcomers club held its June meeting Monday evening at Bert's Chuck Wagon on Johnson road. The president, Mrs. Shirley Morrison, conducted the business session and reports were presented by Mrs. Phyllis Harmer, secretary, and Mrs. Helen Spangler, treasurer.

Also reporting were the bridge chairman, Mrs. Jean Van Metre; sewing and knitting chairman, Mrs. Theresa Jablonski; and bowling chairman, Mrs. Doty Stevens, who announced that the club will sponsor a couple's bowling party Saturday night at the Tri Mor lanes.

Mrs. Arla Ault, chairman of the annual family picnic, announced that plans had been completed for the Wednesday night event at Wilson Park.

Mrs. Joanna Spencer announced that a fashion show committee meeting will be held at her home, 3204 Newell avenue, Monday at 10 a.m. The Newcomers' second annual fashion show is set for Wednesday, Aug. 5 in the 300 Room at Tri Mor.

Mrs. Sara Tabor introduced the guest speaker, Lee Jackson of the Hudson jewelry stores, who presented a program on "Diamonds."

Guests introduced by Mrs. Gloria Tanner were Mrs. Leona Bell and Mrs. Virginia Bruce.

A dessert course was served to those mentioned and Mesdames Helen Rios, Beulah Moats, Donna Warren, Ursula Garner, Sylvia Vassman, Barbara Butler, Jean Andrews, Pat Wyatt, Irene Buyer, Judi Swift and Jean Bevins.

NEW BANNER CHOSEN BY WHITTLE CLUB

The Whittle By Whittle club met at the East Side Levee building Monday evening with leader, Mrs. Pat Pele.

Reports were given by Mrs. Mary Free and Mrs. Virginia Cotter. Weights were recorded by Miss Ruth Stover and Mrs. Shirley Sobolewski.

Miss Ruth Stover crowned Mrs. Cotter as "Queen of the week." She received a gift of fruit and the club sang "Hail to the Queen." Mrs. Jolene chose a gift from the wishing well.

The club voted on a new design for the club banner. The winning entries were submitted by Mrs. Gloria Bennett and Mrs. Pele. The new banner will combine parts of each of the two original designs.

New appointments made by the leader were: sergeant-at-arms, Mrs. Rosalie Bronbauer and Mrs. Mary Jane Sander; scrapbook, Mrs. Bronbauer and Mrs. Bennett; and chaplain, Mrs. Theima Pryor.

The meeting closed with prayer led by the new chaplain. Attending in addition to those named were Mesdames Sandra Baston, Stella Fisher, Carmen Bridick, Sharon Bridick, Jo Gibson, Judy Greer, Janice Hilbreth, Beulah Krause, Elsie Mathenia, Judy Modrus, Dolores Townsend, Phyllis Barton, Evelyn Isaak, Nancy Walsh, Bea Knuckles, Peggy Newcomb and Vivian Shaw. Refreshments were served after the meeting by Mrs. Ruth Coad and Mrs. Cotter.

DANCE SET SATURDAY

June Meeting Of Jr. Service

The Granite City Junior Service club enjoyed a pot luck dinner and general meeting in the home of Mrs. Mary Noth, 40 Terrace lane, Monday evening. The club sponsor, Mrs. Della Pauly, gave the invocation and the members repeated the Lord's prayer in unison.

Mrs. Charlene Pohlman, president, was in charge and reports were given by the secretary, Mrs. Linda Salich. Mrs. Noth reported on the success of the cerebral palsy drive.

Two charity cases were presented and Mrs. Geri Gavlik noted that 13 members participated in the recent Shriner parade. New yearbooks were distributed and Mrs. Mary Schaffner discussed yearly finances.

Mrs. Merle Harmon announced that The Colonades birthday club will meet there June 23; chairman will be Mrs. Shirley Tilman.

Mrs. Phyllis Steib said that the club will have an entry in the Collinsville Junior Service club's parade July 17 at 8:30 a.m.; Mrs. Carolyn Thornburg will be in charge.

Mrs. Jean Ann Vrenick gave a report on an upcoming magic show to be held Sept. 18; Mrs. Gavlik will be publicity chairman.

Mrs. Steib, chairman for the club's "night out," offered suggestions for the event. It was decided to attend a ball game July 18, with husbands and dates as guests.

Mrs. Vrenick, ways and means chairman, reported on a project to sell Christmas paper and decorations. It will commence in November and Mrs. Edith Ross will handle the details.

Mrs. Pohlman announced that the Quad-City Kennel club has volunteered to donate one-fourth of the profits of its Aug. 9 dog show to the club to supplement projects for school children. The show will be held at the ice rink in Wilson Park.

There will be no general meeting in July or August but Junior Service executive board meetings will continue for the summer, the next being July 13.

When regular meetings resume in September, Mrs. Margaret Hornberger will be hostess and Mrs. Mary Ann Wright will be in charge of a home-made gift article. The evening's home-made article was won by Mrs. Gavlik.

Sorority Plans Future Events

Beta Phi sorority met Tuesday evening with Mrs. Norma Abernethy, 3225 Erin drive.

Mrs. Shirley Claxton, president, was in charge and a former member, Mrs. Donna Theis, was reinstated. Plans for future events included a recent trip to a nursing home in Edwardsville.

The educational program was given by Mrs. Abernethy concerning types of insurance and a recent trip to the John Hancock building in Chicago was discussed.

Games were played and refreshments were served. The next meeting will be with Mrs. Joanna Spencer, 3204 Newell.

Others present were Mesdames Mille Clegg and Sandy Cuvier, Judy Dyer, Shirley Long, Joanna Spencer and Alice Sigle.

Karandjeff to Speak At Camp Ceremonies

Henry D. Karandjeff will be honored at Camp Sunnen, Potosi, Mo., at 7 p.m. Sunday, June 28, as the Cahokia Mound Boy Scout Council marks its 20th year as a council in ceremonies at the campsite.

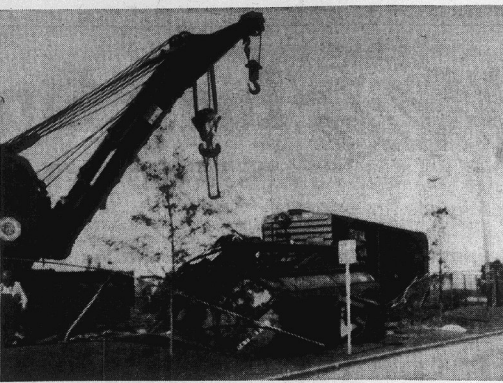

Karandjeff, who will speak to the gathering, has served as chairman of a committee preparing terms of an agreement under which the council hopes to receive title to Camp Sunnen. Among other details, the agreement will outline the responsibilities of the scout council, St. Louis YMCA and Sunnen Products Co. in future maintenance of Camp Sunnen.

Members of the council executive board will be present for the ceremonies formally opening the 1970 camping season, along with the scouts arriving that day for the third week of the season.

Quadrants presently at Camp Sunnen for the first week of the six-week season are: United Presbyterian Church Troop Eight—Max Strother, leader, and Tim and Bob Behrens, David Kampf, Larry Carson, Ron and Don Briggs, Doug Storch and John Earty.

Niedringhaus PTA Troop 12—Joseph Vizer, Otto Fischer and Bob Williams, leaders, and Mike Allen, Steve Bowers, Bill Brandt, Mike Champion, Don Cowley, Scott Daniel, Kerry Dennis, John Hamlin, Don Hasty, Steve Kraus, Rich Mizerski, Lewis Robert, Steve Spurling, Norman Stively, Don Storm and Tim and Dan Vizer.

Eagles Aerie Troop 15—Howard Robinson, Louis Brusatti and Joe Beljanski are leaders, and Joe and Brian Beljanski, St. Louis.

County CD Exercise Set for Saturday

The Madison County Emergency Operations Simulation Technique (EOST) exercise will be held at the Madison County Civil Defense Training Center, 933 South Main street, (in rear of County Nursing Home) Edwardsville, Saturday from 1:30 until 4:30 p.m. Theodore Todoroff is director of the Madison County Civil Defense office in Edwardsville. The public is invited to attend the exercise.

Light Response to Ruling Favoring Draft Objectors

While draft officials in other areas have reported a "flood of questions" regarding new interpretations on draft exemptions for conscientious objectors, the Madison county selective service office at Edwardsville had not received a single inquiry through yesterday afternoon.

Mrs. Ada Daniels, executive secretary for the county's three local draft boards, expressed surprise at the lack of response to widespread publicity of a U.S. Supreme Court ruling which allows conscientious objector status on non-religious grounds. The high court ruling was announced in Washington Monday.

"We just hope the situation stays this way," Mrs. Daniels said in referring to the acceptance of the ruling by Madison county's potential draftees.

son county's potential draftees. Meanwhile, officials of draft boards throughout the country reported a flood of calls from draft registrants inquiring as to a possible change of status under the new ruling. But draft boards and draft counseling services said they had no definite answers to the questions. They pointed out they had received no general order and are unable to advise draft registrants until new guidelines are received.

Expects Little Change

Leser Cook of Madison, chairman of the Quad-City Draft Board, said he expects the Supreme Court ruling to have little effect on the ratio of eligible draftees from this area.

The Staufoff (near center in white shirt) does the actual ribbon cutting. Others present are, front row, left to right—Mrs. Dennis Charnery; Tomboy store manager Hal McCaffery; Pontoon Beach city officials Junior Bennett and Don McNew; Namoki Township Supervisor Harry Briggs; G.C. Trust & Savings Bank President Ernest Karandjeff; 1st GC National Bank President Paul Lichtenberger; Mayor Staufoff; Vice-President of the Jim Green construction Darrell Laymore; Tomboy store owner Richard Johnston and Mrs. Sandra Ousley.

In front of Johnston is his granddaughter Sharon Strum, dressed as a Tomboy girl. In the rear row are: Chamber of Commerce officers Chester Baker, Cliff Blankenship, Howard Colquitt, Bill Terrell and Barry Lomas; James Swift representing Illinois Power; P. N. Hirsch officials O. A. Goralkin, Hirsch Hirsch and Randall Wilson.

The ruling exempts from military service all young men who have strong "moral or ethical" objections to military duty. Under previous concepts of the law, conscientious objectors have based their protests on religious principles.

Cook said he anticipates no change in applications of conscientious objectors from potential draftees as a result of the ruling, which was handed down in a case that reverses the conviction and three-year prison sentence of Elliott Aronson, a Jewish student at the University of California, Berkeley, who refused Army induction.

Aronson, he said, it will not affect any of the 16 Quad-City area youths scheduled to register for pre-induction physical service office in Edwardsville.

Another 33 Quad-Cityans are to register for pre-induction physical examinations. Cook said that hearings on applications for exemption by conscientious objectors must be held and ruled upon before the person is ordered to report for induction.

Cook said the draft board receives an occasional application for exemption from conscientious objectors and that each case is handled individually on its merits in personal interviews with the applicant.

Basis for Exemption
The Supreme Court held that exemptions should be allowed on moral or ethical objections so long as the beliefs of the objectors are deeply held and are not based on expediency.

The high court's opinion held: "That section (providing for conscientious objectors) derives from military service all those whose consciences, spurred by deeply held moral, ethical, or religious beliefs, would give them no rest or peace if they allowed themselves to become a part of an instrument of war."

The court division in the case was five to three. The court's majority opinion noted that Welsh based his exemption plea on beliefs formed "by reading in the fields of history and sociology" and did not involve the issue of religion. Even though his objection to war was based on his perception of world politics, the opinion said, Welsh is entitled to be exempt under the draft law.

Set July Quotas
The Madison county selective service office also announced July quotas for the Quad-City area, with ten local youths to report for induction on July 15. Another 15 are to report for pre-draft exams on the same date.

The top fashion number for July is 190. For this month's quota the top number is 170.

Washington, Selective Service Director Curtis W. Tarr said potential draftees claiming exemptions as conscientious objectors will have to show they have been influenced by the thinking of "other wise men" in arriving at their antiwar beliefs. He said he would tell the nation's 408 local draft boards that the Supreme Court decision should not "open the door" to massive exemptions.

Tarr said he will issue guidelines making clear that local boards continue to be the judges of the registrant's sincerity and that the court did not disturb Selective Service policy rejecting exemptions for men opposed to "a particular war."

Lottery July 1
President Nixon, meanwhile, set July 1 as the date for the draft lottery to establish priority numbers for men turning 19 during 1970. The drawing last December set numbers for men already in the 19 to 25 age bracket.

He also issued an executive order making it easier to induct draftees who fail to report for pre-induction physical examinations.

Under this order a young man could be ordered to report for induction even though he lacks the customary medical clearance papers, and his physical exam would be conducted at the reporting stage.

Traffic Accident
A rear-end collision at Niedringhaus and Madison avenues, at 10 p.m. Wednesday, resulted in a ticket being issued to Edward L. Trebling, 25, of Edwardsville, who was charged with following too close after his auto struck the rear of another vehicle, operated by Jimmie L. Kashinsky, 22, State street, Madison.

GASLIGHT WALK OPENS

The new Gaslight Walk shopping center in Pontoon Beach, Ill., officially opened Wednesday with a ribbon cutting ceremony.

The Staufoff (near center in white shirt) does the actual ribbon cutting. Karen Hoover, a daughter of Mr. and Mrs. Frank Hoover, 2011 Buxton Avenue, was admitted to St. Elizabeth's Hospital Tuesday for a tonsillectomy performed there Wednesday morning. Also admitted was Karen's niece, Becky Painter, daughter of Mr. and Mrs. John Painter, 2935 Buenger Blvd., who will undergo a series of tests.

Both girls, the aunt and niece, have been sharing the same room and have hopes of coming home together today.

PHEBEAN CLASS MEETS

WITH MRS. WILLIAMS

The Phebean Bible class of Calvary Baptist Church held its June meeting in the home of Mrs. Mae Williams of Washington Tuesday afternoon. The program opened with singing of a hymn, "Leaning on the Everlasting Arms."

In attendance were 10 members and one guest, Mrs. Sue Rochester, who is visiting here from Michigan. Mrs. Williams, president, gave the monthly devotion, taken from the Bible.

Prayer was offered by Mrs. Rochester. Poems were read by several members and Mrs. Stella Rushing, class teacher, conducted a question period concerning the Bible.

Mrs. Williams presided over a business session and the secretary, Mrs. Lorna Huson, reported on the May meeting. The treasurer, Mrs. Gussie Hessman, gave a financial report.

RUTH CLASS PLANS

EVENTS IN AUGUST

The Ruth class of Third Baptist Church met Tuesday at the home of Mrs. Millie Paplichak, 2341 Orville Avenue. Mrs. Thelma Petterson, president, opened the meeting and Mrs. Juanita Brown gave the devotion on "Planning Ahead."

Mrs. Julia Carmack read a letter from a sponsor at Carmel Children's Home telling about the progress of the class' adopted girl.

Members are to bring wrapped gifts to church this Sunday to be presented to a friend.

Mrs. Nellie Moske read a poem, "I want to Let Go." The class voted to have a couples' dinner party on Aug. 24. Mrs. Brown is chairman.

Mrs. Carmack gave prayer and a dessert course was served. The table was decorated in orange, yellow and white color scheme, with a floral centerpiece and candles. An orange centerpiece decorated with small oranges was served.

The class will not meet in July. The next meeting will be Aug. 18 at the home of Mrs. Lillian Lockridge, 2212 Manley Avenue.

Reports were given by group captains, and cards for hospitalized friends were addressed and signed.

Mrs. Brown led games, and prizes were won by Mesdames Ivan Graklanoff, Moske Bea Kopman, Carmack and Lockridge. Also present were Mesdames Vi Wallace, Julia McLean, Dorothy Born and Jerry Short.

Hearings Offered to 358 at Carbondale

Hearings and appeals procedures for students charged with violations during campus disturbances at Southern Illinois University in Carbondale last month have been announced by Willis Malone, acting chancellor.

Malone said efforts will be made to process all requests for hearings before the start of summer term classes next Monday. Cases involving students who don't plan to attend classes this summer will be completed before the fall quarter, Malone said.

Wilbur Moulton, dean of students, said 358 students were arrested or charged with Student Disciplinary Code violations during disturbances that resulted in closing of the spring term classes May 12.

Malone said all students are being notified in writing of the charges against them and each will have the opportunity to have an administrative hearing in the Dean of Students' office.

Following the hearing, Moulton will make recommendations on disciplinary action. Students may appeal the recommendation to a Student Conduct Review Board, the board consists of six faculty members, two graduate students and eight undergraduates.

All recommendations from the dean and the review board will go to the chancellor for action, with implementation through the Dean of Students' office.

Gushleff Wins 2nd In State Chess Meet

Gerald Gushleff, a local entry in the annual Illinois State Chess Tournament for the deaf, was winner of second place. The event was held at the Illinois School for the Deaf Headquarters in Jacksonville, Ill., recently.

First and third place honors went to chess players from Chicago, and the fourth place winner was a Jacksonville entry. Gushleff, 36, is married. He was reared in Madison and is a graduate of the Rock Island, Ill., School for the Deaf. He resides at the Chain of Rocks Trailer Park. A member of the Cahokia Deaf Club, and the Southwest Illinois Deaf Club, he is one of the active members of the Tri-City Area YMCA Chess Club.

Social Security Answers Income Tax Table

Questions about Social Security most frequently asked are answered through newspaper by Ralph Brasher, district manager, Missouri Room 104, East St. Louis, Ill. 62201 (274-2200, extension 328).

Answers to most recent questions follow:

Q. Does part B of Medicare pay for prescriptions?

A. The Medical insurance part of Medicare, called part B, does help pay for durable medical equipment, such as a wheelchair, a hospital bed, or oxygen equipment, when these things are prescribed by your doctor. However, part B does not pay for prescription drugs or drugs you can administer yourself.

Q. I am going to have a cataract operation. Will Medicare help pay for the eye glasses?

A. The medical part (part B) of Medicare does help pay for corrective lenses after a cataract operation. The answer to your question is "yes." However, for other readers, we have to stress that Medicare does not pay for eye glasses. Medicare only helps pay for lenses after a cataract operation.

McFarland Named Assistant City Inspector in GC

David McFarland, 2800 West 22nd street, was named assistant city inspector at a salary of \$616 a month.

The appointment was made Monday night by Mayor Partney and was confirmed by the city council, effective immediately, due to the illness of City Inspector Lawrence Druhe.

Mayor Partney said that he had hoped the city could get by without an assistant inspector until August as an economy move, but the appointment was necessary because of the amount of work in the department and the illness of Druhe.

Other appointments made by the mayor and confirmed included the reappointment of Mrs. Anita Efimoff and Mrs. June Karandjoff to the Animal Shelter board for three years; the electrical board, Edw. Branding, inspector, and Warren DeCatur, John Petish, Daniel Hayate and Gus Chappell. Fromberger for one-year terms.

LaVesta Russell was reappointed for 30 days as secretary in the inspection office, and City Clerk Robert Stevens' appointment of Mrs. Arline Brink as bookkeeper, also was approved by the council. Her salary will be \$350 a month.

Almerman Robertson called for a legal opinion requested two weeks ago on calling a special election to fill the office of City Clerk Homer "Cal" Pendleton, who resigned effective June 1. The mayor appointed Robert Stevens, former city comptroller, to the post, approved by the council, but a written legal opinion from the Illinois Municipal League also was requested.

City Atty. Scroggins told the council he had talked to the legal staff of the Municipal League and was advised the mayor may appoint a clerk with the consent of the council. Robertson asked the attorney to get the opinion in writing.

GC Has Sewer Plan; Opposes 4-Twp. Study

Granite City council members, who also serve as the town board of auditors, voted as town board members Monday night to go on record opposing the plan to add \$800 to the 1970-71 town budget as a share of cost for an engineering feasibility study for a four-township sewer program.

A special meeting of town electors—residents of Granite City township, which also is the city of Granite City—is set for 7 p.m. next Tuesday, June 23, at the city hall to vote on the additional funds.

Opposition to the plan, which would include Granite City, Nameoki, Venice and Chouteau townships, was first voiced by Mayor Partney, who said Granite City already has a comprehensive sewer program and plan which extends beyond the present city boundaries.

"We'd be foolish to spend another \$800 for planning. We should attend the electors' meeting and vote down the proposal," the mayor added.

He was supported by Nomm, who pointed out the city spent over \$110,000 in 1969 for the sewer and drainage study and that the added \$800 would boost taxes.

Alderman Partney argued that he knew little of the four-township proposal. He said he would oppose the motion by Nomm until he learned more details.

Similar meetings of electors are scheduled for next Monday at 7 p.m. in the Nameoki town hall; next Wednesday at 8 p.m. in the Venice city council room for Venice township, and on Monday, June 29, at 8 p.m. at the Fun and Sun hall for Chouteau township.

It has been estimated the feasibility study will cost \$32,000.

In other township business Monday night, Granite City council members voted approval of town fund bills and salaries totaling \$5019 and general assistance disbursements amounting to \$3857.

Income Tax Table Lowers Surtax After July 1st

New federal tax withholding rates and tables have now been mailed to Springfield District employers by the Internal Revenue Service.

The rates and tables are contained in Circular E, Employer's Tax Guide, and are effective for wages paid on or after July 1, 1970. Extra copies of Circular E are available at local IRS offices, Jay G. Philpott, district director for central and southern Illinois, said today.

The new withholding rates are lower due to the expiration of the income tax surcharge and the increase in the amount allowed for exemptions as provided in the 1969 Tax Reform Act.

For the convenience of employers who use computers in their payroll operations, Philpott said the IRS has prepared a special set of withholding tables based on the percentage method. This information is contained in Publication 603, Alternative Formula Tables for Percentage Method Withholding. Copies of this publication may be obtained by sending a postal card to Forms, P. O. Box 1468, Springfield, Illinois 62705.

The effect of the July 1 change in the surcharge, Philpott said, is that taxpayers will be subject to a 2.5% income tax surcharge on their tax returns for the 1970 calendar year. The deduction for each exemption on 1970 returns will be \$625.

Hearings July 6 on Mobile Home Requests

The Madison County Zoning Board of Appeals will hold on-site public zoning hearings at 10:30 a.m. Monday, July 6, at property at the east end of North street in Venice township and at 10:45 a.m. that day at a tract on the south side of Chouteau road a half-mile west of Highway 111 in Chouteau township.

Maureen Scheffel, owner, and Alice Bloodworth, occupant, seek to place a mobile home in an R-3 one-family residence district in the vicinity of North street. W. Eugene and Marguerite Schaefer, owners and occupants, propose a mobile home in a Chouteau R-3 district.

BURLINGTON ROUTE, a local rock music group scheduled to perform today and Sunday at the Granite City Jaycees' "Homecoming Celebration," to be held at West 25th street and Missouri avenue. Winners of the 1969 "Battle of the Bands" contest, the Route consists of Ron and Jeff Homyer, left to right front row, and second row from left—Nick Kostoff, Paul LeGrand and George Judge.

SIU Agencies are Busy Despite Ending of Term

The early end to spring classes at Southern Illinois University-Carbondale campus is scarcely evident amid the agencies that serve the campus—and probably one of the busiest is the University Health Service where nurses and doctors are caring for an average of one patient every ten minutes. Other university units such as the plant and ground crews are working full tilt and departmental offices are gearing up for the start of summer classes June 22.

Dr. Walter Clarke, director of the Health Service, said sunburns, skinned knees and summer colds make up the bulk of the present case load. Even so, he said, traffic is only slightly below average for early June.

"Graduate students, student workers and other students working on individual study programs are the ones we're getting most," Dr. Clarke said. "With warmer weather and more free time they're running into the kinds of minor ailments you associate with outdoor recreation."

The Health Service pharmacy, which has more than 200,000 active prescriptions on file, is processing about 88 refills a day, according to John Batson, chief pharmacist. Some of them are mail orders from departed students or their hometown doctors.

Richard Miller Attending Southwest Baptist College

Richard Leo Miller, son of Floyd Miller of 2235 Missouri avenue, is attending Southwest Baptist College in Bolivar, Mo., this summer where he is enrolled as a senior with a Psychology and Christianity major. Summer enrollment at SWBC is 774. The summer session is divided into two 8-week periods. The first half began June 1 and ends July 3 and the second session begins July 6 through August 7.

4-H Federation Plans Events

Sixteen Madison County 4-Hers are joining nearly 1000 other young people at the 1970 State 4-H Week this week, on the University of Illinois campus, Urbana-Champaign. It was announced this week by the Madison County 4-H Federation.

A 150 announced was the schedule of the 4-H Camp at Jacksonville. Those who wish to attend are to register before July 2.

The Federation plans to attend a St. Louis baseball game on June 26. Tickets may be obtained from Mrs. Mary Knight of the Home Extension Association until Friday.

Deadline for registering for State Exchange with a group from Kansas is set for June 15.

Tommy Wells to be Computer Programmer

Tommy Gene Wells, a 1970 graduate of Granite City high school, has been accepted for training at Electronic Computer Programming Institute of St. Louis.

The course of study, which involves extensive use of the school's IBM/360 computer system, trains students for employment in the field of computer programming. Wells resides with his parents at 3012 Dale avenue.

Music and Youth Camp Still Open At SIU-Carbondale

Nearly 200 teen-age musicians have signed up for the annual Music and Youth at SIU-Carbondale summer music camp July 5-18, but there is still room for more applicants, according to Melvin Siener, assistant professor of music at SIU and camp director.

The camp will provide instruction in band, orchestra, stage band, choirs and piano. Piano students will be presented in a recital on the afternoon of July 18, and the band, choir and orchestra students in a night concert the same date.

MYS students will live in supervised University housing and may participate in university social and recreational activities. Registration fee for the two-week camp, including housing and meals, is \$85. Students who wish to commute will pay \$20.

A limited number of talented students enrolled in the camp will be eligible to participate in SIU's first instrument repair workshop, July 5-7, taught by Woody Maloney, band director at Pinckneyville high school.

Graduation Breakfast For Teenage GOP Club

The members of the Teenage Republican Club, with the adviser, Mrs. Vernice Wortman, held a graduation breakfast Sunday at Burns Cafeteria. Eight of the group graduated Thursday evening from the Granite City high school.

Plans were made for the summer months and there was a discussion of college in the fall. President Dan Monken presented material on the Southwest T.A.R. Camp to be held Aug. 2-8, at the University of Tulsa. He described his experiences last year at the university and urged others to consider it. One scholarship is available. It was announced, and anyone interested may call 878-5748.

Linda Welton and Mark Twittemeyer were given "Early Bird" awards at the meeting. Linda will be working in the "Head Start" program at Washington school.

Announcement was made of the GOP state convention July 18 at Peoria, and Governor's Day Aug. 19 at the State Fair. T.A.R.'s will be holding meetings, during the summer, but will resume the regular schedule in September.

Scholarship Aid In State Increased

More than 8000 additional Illinois students will have a second opportunity to apply for college scholarships next fall because of legislation signed by Gov. Ogilvie.

Saturday, June 20, is the deadline for students eligible for the increased money to apply. The legislation allocates \$33,850,000 to Illinois colleges and will be distributed to more than 45,000 students.

Dr. Joseph D. Boyd, director of the State Scholarship Commission, said the additional money will enable veterans recently discharged from military service and students needing additional assistance because of tuition increases to continue their educations. He said the state can now provide financial support to every qualified student in Illinois needing financial help.

SUMMER CONCERTS of the 1970 Mississippi River Festival will feature such entertainers as (top to bottom at left) vocalist Judy Collins, guest conductors Henry Mancini and Franz Allers, and Walter Susskind, St. Louis Symphony Orchestra conductor and piano soloist.

Cannonball Adderley, saxophonist, is below and Andre Watts, pianist, is pictured below him.

At the immediate right, top to bottom, are Earl Wrightson and Lois Hunt, vocalists, guest conductor Dean Dixon, the Grateful Dead musicians and a view of pre-concert outdoor dining.

'70 River Festival July 2- August 11

The greatest show within hundreds of miles, perhaps anywhere, is scheduled for July 2 through Aug. 11 at a tent and an adjacent sloping lawn at SIU-SW.

Varied entertainment will be offered at the 1970 Mississippi River Festival, including the New Christy Minstrels July 2, Grateful Dead July 8, Cannonball Adderley July 10, Chicago Transit Authority July 15, Buck Owens July 17, Smokey Robinson and the Miracles July 20, Delaney, Bonnie and Friends July 29, National Dancers of Zambia July 31, Judy Collins Aug. 5, King family Aug. 7 and The Band Aug. 11.

The St. Louis Symphony Orchestra will present six concerts highlighted by guest soloists, each of the six programs being repeated on a second night. The orchestra also will perform six Sunday "pops" concerts.

A general view of the 1969 River Festival is given in the top photograph. There is seating for 1877 within a large tent and room for another 10,000 persons outdoors.

The next three pictures show Delaney, Bonnie and Friends (Bonnie of the nationally known musical group is a former Granite Cityan); the King family, shown entertaining on the Mississippi River Festival stage last summer; and Buck Owens and the Buckaroos (Buck Owens co-stars with Roy Clark on the Hee-Haw network television show).

Murphy Twins Separate to Earn Masters Degrees

Edwin and Thomas Murphy, twin sons of Mr. and Mrs. Edwin W. Murphy of 2412 Lincoln avenue, both received master degrees this month at different universities.

Edwin received his degree of public administration from Harvard University during the 318th commencement exercises in Cambridge, Mass. He has accepted a position with the Internal Revenue Bureau in Washington, D. C., and will begin work there on July 6.

Thomas was presented with a masters degree in foreign relations from Columbia University in New York. He will begin training on June 25 in Washington, D. C., as a foreign service officer with the State Department.

Both young men graduated with highest honors from SIU-Carbondale prior to beginning work on their masters.

PETER R. SHOCKER

GC Youth Appointed To Air Force Academy

The appointment of Peter R. Shocker, 19, a son of Mr. and Mrs. Melvin Shocker, 2206 Waterman avenue, to the U. S. Air Force Academy, Colorado Springs, Colo., was announced this week. Official word was received by the family Monday in a telegram from U. S. Cong. Melvin D. Price.

A 1969 graduate of Granite City high school, the new appointee has been a student at Northwestern Preparatory School at Minneapolis, Minn., during the past school year. He attended the college under a scholarship program, funded through the Skelly Foundation and granted for scholastic achievement.

Schocker's interest in all aspects of flying has been apparent since childhood, his mother said. He began taking pilot training as a young teenager and successfully completed his first solo flight at Lakeside Airport here at 17.

As a cadet in the Granite City Civil Air Patrol Squadron, he achieved the highest enlisted rank of warrant officer. He was among several top Illinois CAP members selected last year to visit Cape Kennedy Manned Space Flight Center in Florida, as guests of the U. S. Air Force.

The appointee's father retired in 1963 from the U. S. Army, after spending 21 years in the service. He presently is employed at the St. Louis public library.

Southern Illinois University serves the public with educational, cultural and research programs on a regional, national and international basis.

MECA Offers Stage Training For Youngsters

The Metropolitan Educational Center in the Arts (MECA) announces an eight-week program for children, MECA Theater-Summer '78, which will begin June 22 and operate through August 15.

The theater will offer students experiences in improvisational drama, scripted plays and technical aspects of the stage. In addition, student troupes will perform in various locations throughout St. Louis and St. Louis county.

Theater classes for 10 through 15 year olds will be held at the University City public library, 6701 Delmar blvd., on Tuesday, Wednesday and Thursday from 9:30 a.m. to 12:30 p.m. Students may register for the program on Tuesday, June 23, at 9:30 a.m. at the library.

The MECA building, 4242 Laclede avenue, will be the other location for the summer project. Classes will be on Tuesday's, Wednesday's and Thursday from 8:30 a.m. to 12:30 p.m., and 10 through 13 year olds are eligible. Evening classes for 14 through 18 year olds will be on Monday, Tuesday and Thursday from 7 p.m. to 10 p.m.

As a special addition to the program, classes in pottery, design and photography will be offered at the MECA building from June 22 through July 25. These classes, designed for 14 to 18 year olds, will meet on Monday and Wednesday evening from 7 p.m. to 10 p.m.

Students interested in registering for any classes which will be held at the MECA building should go to MECA 4242 Laclede avenue on June 20, at 10 a.m.

The Schocker family also has a younger son, Tommy, 11.

The local youth will report at the service academy in Colorado Springs on June 29. He will enter the academy as a fourth classman.

Tommy Noel, a recent graduate of Madison high school, is one of seven area high school graduates selected to participate in the co-operative engineering education program sponsored by Shell Oil Company's refinery in Wood River. Under the program, outstanding students combine their academic studies with engineering experience in industry.

The students were selected from 165 candidates who were interviewed by Shell representatives at 31 local schools. They will enter various colleges next fall and begin their work experience after their first full year of college studies. Noel plans to study electrical engineering at the University of Missouri at Rolla.

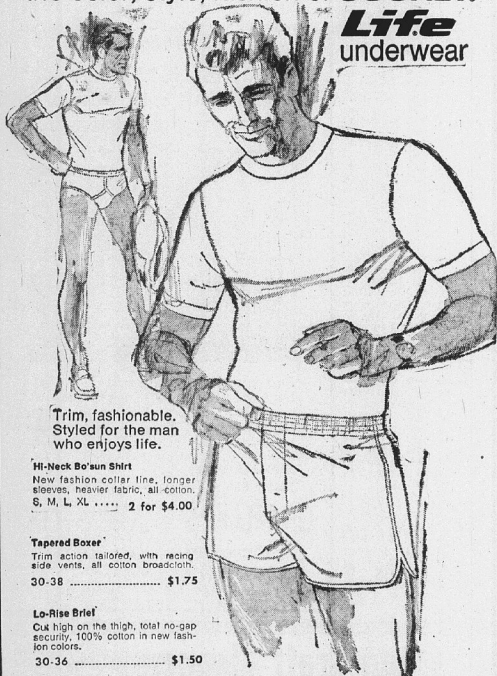

'Business As Usual' At 2 SIU Academic Units

Two academic units where signs pointed to "business as usual" during the recent class halt at SIU-Carbondale were the Graduate School and the College of Education's department of student teaching.

"We insisted that no student be required to do further academic work when it was announced the school was suspending classes, but many did proceed with their work on a voluntary basis," according to Herbert H. Rosenthal, dean of Graduate Studies and Research. "Oral examinations for master and PhD degrees were given

ISU Faculty-Student Group To Study Campus Unrest

A group of 15 Illinois State University faculty members and students has been invited to serve on a special committee to study campus unrest and offer suggestions concerning ways to meet it in the future.

Dr. Richard R. Bond, vice president of the university and dean of faculties, announced organization of the committee.

"We should be asking ourselves," he said, "what we have learned from the events of the past academic year and how the academic community can respond to student unrest in a fashion that befits an institution of higher education."

"Like other universities, we were ill-prepared to respond in an educational manner. Many faculty and students have felt a sense of frustration and wondered what they could do to ease tension and help avoid violence. An academic response whereby faculty and students could study and discuss problems of immediate national interest would appear to be desirable."

The group will be called "Educational Response in Crisis" (ERIC) and will be headed by

Dr. Milton Greenberg, dean of the College of Arts and Sciences.

Unlike some colleges and universities, ISU was never closed during the past year due to student or other demands or pressures. However, a number of student demands were presented to university authorities and there were other events which created concern.

In setting up the study group, Dean Bond posed these questions as indications of the topics the committee might consider: "1. What, if anything, should be the academic response of the university in circumstances similar to those experienced this past spring?"

"2. Should we explore the possibility of having available by fall a mechanism whereby informal seminars or meetings could be organized immediately to discuss the issues? If so, how?"

"3. Should we explore the possibility of developing, perhaps for the second semester, General Education or other classes covering areas of wide-spread student concern? If so, what classes organized in what fashion?"

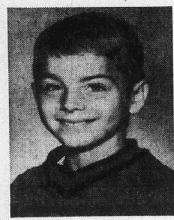

"4. Are there other potential courses of action which should be explored?"

Dean Bond has asked that the group begin functioning as soon as possible this summer.

Those asked to serve on the committee with Dean Greenberg are:

Dr. John D. Buffington, assistant professor of biological sciences; Dr. Robert W. Elsey, coordinator of student activities; Dr. William R. Linneman, associate professor of English; Dr. William W. Morgan, assistant professor of English; Samuel J. Mungo, assistant professor of education; Dr. Virginia Owen, assistant professor of economics.

Dr. Mildred Pratt, assistant professor of social work; Dr. Edward Schapsmeier, associate professor of history; Dr. Edwin Smith, dean of students; Dr. David W. Wright, assistant professor of political science; Dr. Miriam Wagenschin, associate dean of student services; Dr. David W. Wright, assistant professor of speech; Robert Turner of Normal, a student member of the university's Academic Senate, and Chuck Witte of Bloomington, student body president.

PASS BOOK for a bank savings account is awarded Mark Liszewski, sweepstakes winner in an art contest sponsored by First National Bank in Madison.

Andre N. Gitch, executive vice-president and cashier of the bank, makes awards to Liszewski and six other first award winners. In first row, left to right, —Liszewski, Mary Williams, Dawn Roberson and Glen Whitener. Back row —William Foreshee, Harvey Logan and Barbara Zarr. All are pupils in Madison schools.

Winners Announced in Art Contest by Madison Bank

Mark Liszewski, fifth grade student at Louis Baer school in Madison, was named the sweepstakes winner in a Bank Art contest sponsored by the First National Bank in Madison.

Young Liszewski, who lives at 1907 Rhodes street, submitted a sketch of a "smiling-friendly" bank which won over more than 2000 entries by pupils throughout the Madison area. The contest was designed to acquaint grade school children with bank services and activities.

In addition to Liszewski, contest judges named six first award blue ribbon winners:

Billy Foreshee, 634 Alton avenue, 6th grade Louis Baer school; Barbara Zarr, 1229 Washington avenue, 7th grade St. Mary's school; Mary Williams, 567 Jefferson street, 2nd grade St. Mark's; Glen Whitener, 620 Mercedes street, 2nd grade Blair; Dawn Roberson, 1705 Third street, 3rd grade Harris; and Harvey Logan, 1807 Calhoun street, 5th grade Dunbar.

All winners received savings accounts at the First National Bank in Madison, as prizes.

Those who received honorable mention were: Anthony Bell, Kathy Belloco, David Rogenstein, Francesco Anelmo, Robert Papa, Donna Sanders, Pam Harrison, Darlene Heard, John Robinson, Queen Dickerson, Angela Allen, McKinley Hardmon.

Dr. Braden Resigns As ISU President

Dr. Samuel E. Braden's resignation as president of Illinois State University at Normal was accepted by the Academic Senate of ISU with disbelief and regret this week.

The Senate, comprised of faculty and students, issued a statement saying, "It is with sincere and profound regret that the Academic Senate of Illinois State University acknowledges the resignation of President Braden. He has given unstintingly and dedicatedly of himself, demonstrating eminent qualities of leadership that have preserved and strengthened the integrity of the educational process, this done at a time when the University has been under great stress from within and without."

During the time that Dr. Braden served as president, ISU expanded in enrollment from 11,072 when he came to 14,697 this past year. It expects 16,000 students this fall.

The cost of owning a new Chevrolet will never be lower than right now.

Lowest priced full-size hardtop. Impala.

True. The Impala Sport Coupe is the lowest priced big hardtop available. But don't let that fool you. Because Impala offers more, much more, than you'll find on anything else in its field.

Like Full Coil ride. Astro Ventilation. 155-hp 250 Six or big 250-hp 350 V8. Rich wood-like trim on the inside. Inner fenders and flush-and-dry rocker panels on the outside. Steel guard beams in the doors. And traditionally the highest resale value of any car in its field.

Impala is America's most popular car. One drive and you'll know why that's a fact.

Lowest priced mid-size hardtop. Chevelle, \$147 less*.

You can now get a new Chevelle Sport Coupe priced \$147 less* than our previous lowest priced hardtop.

Or a Chevelle 4-door that's \$148 less* than our previous lowest priced Chevelle Sedan.

Our new Chevilles may be small in price. But they're mighty big in durability and dependability.

Lowest priced Chevrolet.

We know it's hard to make ends meet these days. So Chevrolet is helping out by lowering Nova's price by \$159*.

With these Novas, the previously standard day-night mirror, bias belted ply tires, cigarette lighter and seat belt retractors are still available as options.

You get features on every Nova that you just won't find on those smaller cars. Features that make driving more enjoyable and economical.

Nova, now reduced \$159*.

CHEVROLET

Right Car. Right Price. Right Now.

Lowest priced full-size 3-seat wagon. Townsman.

The lowest priced, yes. But it's still a Walk-in Wagon. Which is something some of those expensive wagons can't say.

To enter our Walk-in Wagon, just step in. Standing tall. And straight. Once in, you'll enjoy Chevrolet's Full Coil ride. Astro Ventilation. Body by Fisher craftsmanship. All-vinyl interior. Big 250-hp standard V8.

Venice School Calendar Aug. 25 Until May 28

Venice students will return to school after the 1970 summer vacation on Tuesday, Aug. 25, and next year's school activities will conclude on May 28, according to the 1970-71 permanent calendar adopted by the Venice board of education Monday evening.

A tentative school calendar, reported May 21 in the Press-Record, was approved in its entirety with the exception of the date of a county institute day, which was changed from March 26 to March 24.

The new calendar has 183 school days, including 96 teaching days and one institute day in the first semester, and 86 teaching days and two institute days in the second semester.

The 182 days exceed state requirements for mandatory attendance by five days, enabling three dates in December and two in April to be declared holidays for students if not needed for snow days or other emergencies, Assistant Supt. Robert N. Vickers explained.

In other action Monday night, School Board President, Leo Davinroy, reappointed Board Member Jack Tolliver as a Venice district representative on the Special Education District Region I board.

It was announced that Tolliver had been named secretary of the Special Education Region I advisory board, after serving one year as board chairman. A representative

ARION MUSIC AWARD, a national foundation award, being presented to two Coolidge junior high band students. They are left to right—Robert D. Todoroff, director; co-recipients, Gary Loy and Brad Hiles; and James Dumont, principal of Coolidge.

Arion Music Awards Go To Brad Hiles, Gary Loy

Brad Hiles and Gary Loy became the co-recipients of the Arion Foundation Music Award for outstanding musical achievement in services to the Coolidge junior high school concert band. The presentation was made in recent ceremonies by James Dumont, principal, and Robert D. Todoroff, director.

Hiles, 14, is the son of Mr. and Mrs. Joseph Hiles of 58 Bermuda lane and has been the first chair French horn section leader for two years. He has participated in the Madison County Festival Band for three years, served as a member of the Band Council for two years and played bongos drums in the Latin-American Ensemble this past year. He has also participated in district and state band contests for three years.

Hiles also is active in sports, and has lettered in football and track. His future plans include college studies with a career in law.

Gary Loy, 15, whose parents, Mr. and Mrs. James Loy, reside at 3211 Harvard avenue, has been first chair cornet section leader for a year. He has participated in the Madison county festival band for two years, served as president-elect of the band, played cornet in the Latin-American Ensemble this past year and participated in the district and state band contests for three years.

He is active in a variety of school activities including cartoonist for the school newspaper, member of the Freshman Mixed Chorus, and he won let-

ters in tennis and wrestling. Loy also is active in the United Methodist Youth Fellowship group. He plans to attend college with a career in an area of science.

Both youths were cited for their "outstanding contributions to the band, leadership and consistently valuable and untiring efforts on behalf of the organization," Todoroff said.

Announcement of the appointment came from the dean of the school, Dr. Frank J. Sobkowski. Professor Schopp has been a member of the faculty since last fall when he arrived at SIU-SW to assist in curriculum planning for biomedical sciences of the new School of Dental Medicine.

He is from the faculty of the College of Osteopathy and Surgery at Kirksville, Mo. He had previously taught at the University of Colorado Medical School and the University of Wisconsin Medical School. Prof. Schopp earned his doctorate at the University of Wisconsin at Madison.

Youths, Garden Club Landscape Fire House

The Gardenaires Garden Club with the assistance of three boys from Coordinated Youth Services, coordinated the plantings donated to the club by an anonymous civic-minded citizen for the West Granite fire station on Monday. Landscape plans were prepared by Wayne Stetert of the University of Illinois cooperative extension service.

The initial planting consisted of a hedge of 43 Golden Vicky plants, a Persian lilac, three purple lilacs, five Weigelas and two double Mockorange shrubs. This will be added to in the fall at which time a blue spruce and a northern fir tree will be set on the grounds at the station.

Mrs. Earl Glenn, civic projects chairman, and Mrs. Charles Kohl of the local club were in charge of the project. Assisting were Richard Farti, Ronney and Harlan Hogue.

Another project of the club was starting the first nursery of trees for the city at the sewage treatment plant at the Army Depot. They have added red Japanese barberry, Golden Vicky and Celsia to this area which complements the work already begun at the plant.

A program in special education administration will begin this summer at Southern Illinois University, Carbondale, under a federal grant.

Vice-president John H. Polson presided at the luncheon meeting of the Granite City Rotary Club Tuesday, attended by 43 members.

Glenn Abenroth conducted an installation ceremony for the newly-elected officers of the Interact Club. Present were Daniel Monken, the retiring president; Kevin McIlvoy, president; and Bruce Burnett, secretary. Not able to attend were Ray Hoffman, vice-president and David Norton Jr., treasurer.

New Rotary Club members, Carl Allison of Union Division, Miles Laboratories, and Louis LeWright of the F. W. Woolworth Co., were introduced by Ray Ruffer, secretary.

The remainder of the meeting was spent in discussing plans for the Rotary Modern Living show to take place at Wilson Park ice rink on Aug. 28-30. Chairman of the event, Donald Adams, presided.

Next week's program will feature Dr. John Rider, head of the Mass Communications department at SIU-SW.

Deputies Probe Theft At Township Offices

Sheriff's deputies were continuing today their investigation into the burglary of the Nameoki township offices and highway department garage, 4250 Highway 162, during the weekend, in which tools and office equipment valued at more than \$1300 were stolen.

The burglary was discovered Monday morning by Rodney Redmon, an employee of the highway department. Deputies said they could find no evidence of forced entry.

Smiths are also parents of another daughter, Sandy, who is a student at Prather junior high school.

Harry D. Smith will be going to the Ranken Trade School, St. Louis, studying architectural technology. Mrs. Pyle, who is also a graduate of GCIS, will teach second grade at Maryville grade school. Her husband, Bob Pyle, is a mathematics teacher at Grigsby junior high school.

Among those greeting the two guests of honor were their parents, Mr. and Mrs. John W. Draper of Madison, and Mrs. Lu Pyle and Dr. and Mrs. Ronald Pyle and their daughter, Virginia.

Transit Aid Bill Requires Local Matching Funds

The Bi-State Transit System appears certain to face considerable difficulty in sharing in benefits of an Illinois transit aid program under the proposal submitted in the General Assembly Tuesday at the request of Gov. Ogilvie.

The proposal, which provides \$24 millions in financial assistance to mass transit systems, would permit grants to local systems if local governing bodies in the service area meet the grant with matching funds. The Bi-State Transit System, if it sought funds from Illinois would be able to use the money only in the Illinois service area of its service areas. Thus, matching funds would have to come from Granite City, East St. Louis and Belleville, areas primarily served on this side of the river by Bi-State.

This type of cooperation has been difficult to obtain in the past and opponents of the governor's matching fund provision point out the municipalities are having their own financial problems without being required to divert local funds to other purposes.

Propose Gas Tax Boost

Under Ogilvie's plan, the \$34 million would be provided by a half-cent increase in the state motor fuel levy that would raise the tax to eight cents a gallon. Opposition has centered on the tax increase as well as the contention by some state legislators that the financially troubled Chicago Transit Authority would be the principal beneficiary of the program.

State Sen. Alan J. Dixon (D-Bellefonte) contends that the mass transit aid should come out of general reserve funds. He said that otherwise the state could be furnished on an emergency basis with funds borrowed from present gas tax receipts with subsequent repayment out of general revenue.

A transit aid program under which the CTA would obtain financial relief was one of the principal issues for calling the special session of the legislature. The General Assembly is expected to remain in session throughout most of next week to wind up the transit aid legislation and adopt salary appropriation bills. The assembly must adjourn by June 30.

Two Doctors Named to State Hospital Staff

Two new doctors have joined the professional medical staff of the Alton State Hospital and have been assigned to the Madison county unit and the St. Clair-Monroe counties unit. Dr. Abraham Simon, hospital superintendent, announced today.

The staff additions are Dr. Julio Coppo, a graduate of Lima Medical College, Peru, who served his internship at St. Mary's Hospital in East St. Louis, and Dr. Manuel Danganan, a native of the Philippines and a graduate of the University of Santo Thomas Medical College at Manila. Dr. Danganan interned at both St. Vincent and St. John Hospital, Jacksonville, Fla., and served a residency at St. Agnes Hospital, Raleigh, N. C. He will be assigned to the Madison county unit.

Appointed Administrator

Martin G. Schaefer, Edwardsville, has been appointed by Gov. Ogilvie as the annual convention of the National Association of Legal Investigators to be held in Minneapolis, Minn., the week of June 28. Chapman will be lecturing on the subject of the Federal Employer's Liability Act.

GOP, Demos Call Conventions to Pick Delegates

Leaders of the Madison county Republican and Democratic Central Committees announced plans today for convention sessions in which both parties will select delegates to the respective party judicial conventions scheduled early next month.

The Republican county Central committee is to convene at 8 p.m. today in the courthouse at Edwardsville to pick 96 delegates, according to Clyde Belcher, county committee chairman.

Walter T. "Buck" Simmons, chairman of the Democratic Central committee, said Democratic committee will meet in the courthouse at Edwardsville at 8 p.m. Monday. The Democrats also will pick 96 delegates to their judicial convention.

Roy Lynn, chairman of the Granite City Republican City Central committee, said notices of the convention plans have been sent to all city GOP committeemen. Granite City has 32 precincts represented by one committeemen from each in both parties.

To Pick Nominees
The judicial conventions will be attended by the committee delegates of 37 counties in the Fifth Judicial District to select party nominees for a Supreme Court judge. The Democratic and Republican candidates chosen in the judicial conventions will be subject to the November election for the Fifth District judgeship held by the late Byron O. House of Nashville.

The Democratic judicial convention will be held at Augustine's restaurant in Belleville during the afternoon of July 10, Simmons said.

Belcher announced the Republican judicial convention is scheduled July 11, beginning at noon, in Mount Vernon, Ill.

Sp/4 and Mrs. James Reader are announcing the birth of their first child, a boy, Karlshue, Germany, where the father is stationed with the U. S. Army. The new arrival weighed nine pounds, 12 ounces.

Mrs. Reader is the former Cheryl Gilmore, a daughter of Mr. and Mrs. Oliver Gilmore of Granite City. The paternal grandparents are Mr. and Mrs. Andrew Bauza of Granite City.

Venice School Board Wants Depot to Stay

The Venice board of education went on record Monday evening as endorsing the objection to the Save Our Depot Association, a non-profit group formed to coordinate efforts and rally public support to halt plans by the Department of Defense to close the Granite City Army Depot.

Board President Leo Davinroy also directed the secretary to send letters stating the Venice school board's position to President Richard M. Nixon, U. S. Senators Charles H. Percy and Ralph T. Smith, Cong. Melvin D. Price and other federal officials.

The board authorized publication of a call for bids from general contractors to modify and remodel rooms at the Venice-Lincoln Technical Center on South Fourth street, Venice.

The remodeling project, expected to cost under \$20,000, will include modification of three classrooms into offices for the VLTC administrator and public air personnel and two smaller classroom areas, according to Duane Rankin, center's principal.

Specifications concerning the project are available at the Venice-Lincoln Center. Sealed bids may be submitted up to 4:30 p.m. Monday, June 29, at the board of education office, 700 Broadway, Venice.

The remodeling work will be financed jointly with funds furnished by the Illinois Department of Public Aid and the Venice-Lincoln Technical Center. The latter's share is reimbursable from other state sources.

Former Resident Killed in Crash

Fatal services were held Sunday afternoon in Waverly, Ill., for Mrs. Nora Brooks, 50, of Modesto, Ill., a sister of Mrs. Loretta Hill of Rural Route One, Granite City. Mrs. Brooks was killed in a two-car accident near Waverly late Friday afternoon.

Mrs. Brooks was a former resident of Granite City until 30 years ago. Other survivors include her husband, Ted; a son, William Brooks of LaCrosse, Wis.; her father, Elzie in Whitwell of Doniphan, Mo.; one grandchild and one nephew, Daniel Hill serving with the Army in Vietnam. Also attending the services were Rev. and Mrs. Ray Cockrum of Granite City.

City Seeks Test Of Trailer Law

Granite City aldermen instructed City Atty. Leon Scroggins "to go into court" for a possible test of the city's house trailer control ordinance under a recent ruling handed down by the Illinois Supreme Court regarding the city of Sparta.

Scroggins advised council members Monday night there was a possibility the ruling might be subject to a hearing with possible follow-up legislation in 1971 to give cities authority to control locations of house trailers.

The city attorney said it was not clear from the court ruling that the declaration of the unconstitutionality of the Sparta ordinance would be certain to the Granite City ordinance.

He pointed out Sparta has no zoning, and that the Granite City ordinance does not forbid house trailers, but requires approving signatures of 70% of the property owners within a 300-foot radius.

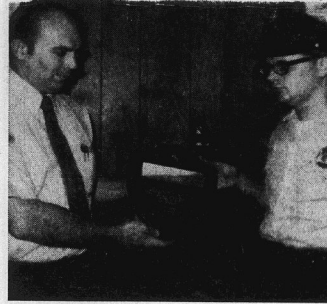

Granite City has an instance where a trailer was located in a neighborhood on Pershing avenue and there was disagreement over the 70% signatures. No permit was issued for placing the trailer there, and it is this case that is to be taken to court. One alderman remarked that he had heard the trailer since has been relocated. The matter has been discussed and debated by the council for nearly a month.

The state Supreme Court ruling was handed down May 21. In other miscellaneous business, the council adopted an ordinance placing stop signs on Franklin avenue at Garfield avenue and on Mercer drive at Clark avenue.

Approval was given for a revival tent to be placed at Graceland Baptist Church along Johnson road Aug. 25-30 and for Bethel Chapel Church, West 26th street and Ohio avenue, to hold a vacation Bible school parade at 6:30 p.m. July 2, starting at the church.

A contract was awarded to Clark Painting Co., St. Louis, to paint tanks at the sewage treatment plant at a cost of \$18,598. Another bid amounted to \$19,000.

Also awarded was a \$275 contract to Granite City Glass Co. to repair the storm water drainage channel fence on East 23rd street.

AWARD FOR EXCELLENCE presented by Illinois Police Training Institute to Madison Officer Paul Bargiel (right) is inspected by Madison Police Chief Frank Dutko. Bargiel, recently appointed to the Madison police force, received the Ervin H. Warren Award for top ranking grades and training performance in completing the University of Illinois course, now required for all new police officers.

New Hope Baptist Plans Dedication

New Hope Baptist Church located on new Route 3, one mile west of Mitchell, will hold an all-day homecoming and dedication service on Sunday, June 28.

Principal speakers will be Harold Cameron from Carbonale and Rev. Elmer McElroy of Girard, Ill., and a former pastor.

A Fellowship dinner is planned for noon, and special singing groups from other area churches will provide music at both the morning and evening services.

The late Rev. Paul Harper led the church in this current building program.

Car-Truck Collision

A truck driven by Ray A. Hauptli, Medaryville, Ind., and a car driven by Roger Howard, 133 Grenzer Homes, Madison, were damaged about 1:30 p.m. Monday at the 12th street dock of Tarfas Meat Co. Police reported Hauptli was backing to the dock when Howard, westbound on 12th street, collided with his truck.

Street Workers On Sewer Pumps Return to Dept.

Six street department workers who have been manning pumps to by-pass sewer breaks on an around-the-clock basis are back on duty with the street department, it was reported to the city council Monday night by Alderman Nomm, chairman of the street committee.

He added that with the return of the men to regular street department duties, it is planned for a sewer department to be set up for a program of sewer cleaning and maintenance. Bids are to be sought for purchase of bucketing type sewer cleaning equipment that was abandoned by the city several years ago in favor of a jet-columbia, Tenn., 11 grandchild-dren and four great-grandchildren. Funeral services were held today. Arrangements are given in today's obituary column.

Parents of Son
Mr. and Mrs. David Cason, 2861 Ralph street, are announcing the birth of a son Tuesday at Belleville Memorial Hospital. The new arrival weighed seven pounds, nine ounces and has been named David Keith. He has a sister, Tricia, three.

Summer Schedule At St. Bartholomew

The summer service schedule at St. Bartholomew's Episcopal Church, 22nd street and Grand avenue, was announced this week, to become effective June 21.

Rev. Wilbur L. Lear, rector of the local parish, announced that the Sunday Low Mass will begin at 7 a.m. and the Family Eucharist will begin at 9:30 a.m. each Sunday, with provision being made for baby sitting in the Parish Hall during the late service.

The weekday schedule will remain unchanged, with a Low Mass offered every Tuesday and Thursday at 7 a.m. and each Wednesday and Friday at 6:30 a.m. A Low Mass will be offered every Saturday at 4 p.m., or any time by appointment.

Sunday, Eucharist in Glen Carbon will be at 8 a.m., and the mid-week Eucharist Wednesday at 9:30 a.m. Further information regarding services or the occasional Sacraments can be had by calling 876-7245 or 876-5521.

Funeral services will be held today. Arrangements are given in today's obituary column.

Deputy Sheriff Exams July 8

Examinations for applicants seeking appointment as sheriff's deputies will be given July 8 by the Madison county Merit Commission. It was announced today by Sheriff George Musso.

Application forms for those wishing to take the examination are available at the sheriff's office in Edwardsville. Musso said. The examinations will be given at 7:30 p.m. in the supervisors' meeting room at the courthouse.

Musso said his deputy force has no present vacancies, but that the eligibility list of prospective deputies has dwindled to only three qualified applicants.

The sheriff said the ten applicants making the highest grades in the examination will be certified to the eligibility list from which future deputy appointments will be made.

GC Ordinance to Outlaw Following Insect Fogger

An ordinance making it unlawful to follow a city insect fogging machine is to be introduced before the Granite City council next week.

The law was requested by Street Supt. Warfield, who stressed the danger of youthful cyclists and motorists following the fogger too closely. No amount of penalty for violators was mentioned during the discussion during Monday night's council session.

Supt. Warfield pointed out one young cyclist already has been injured while riding in the spray fog. The new law specifies a 200-foot distance.

Warfield reported he now has both city fogging units in operation.

Approved by the council was a pay increase for Cecil Lyon, who has been operating a fogging machine for the past several years. He has been getting part-time pay, and is to receive the street department scale with adoption of an ordinance setting the salary. No mention was made of the second spray machine operator.

Council members rejected one-week vacation for Lyon. The council's Negotiating committee, headed by Alderman Robertson had recommended

the vacation Monday night. It was brought out that other temporary city employees, such as school crossing guards and part-time city hall workers would be entitled to paid vacations.

Baker noted the city probably could hire "any number of people to do part-time summer work at an hourly rate lower than regular street workers and without vacation, but Warfield and other aldermen stressed the experience Lyon has in operation of the fogger. "This is of great benefit to the city," Warfield added.

The motion for both an increase and vacation for Lyon lost on a 7-to-6 vote, with Mayor Partney voting "no" to break the tie. On the motion for a pay increase ordinance to be prepared, approval was voted 9-to-3.

Parcking Meter Income Down to \$3616 in May

Revenue from operation of parking meters during May totaled \$3616, including collection of \$2876 in meter fees and payment of \$740 in fines for meter violations, according to a report by City Clerk Robert Stevens.

The May collections totaled \$55 less than revenue for April which included \$3000 in fees and \$881 in fines for a total of \$3881. It increased to \$18,334 the total parking meter income for the five months of the year, a reduction of \$171 below the \$19,515 in fees and fines received for the first five months of 1969.

The report showed meters operated 25 days during May, providing an average daily income of \$144.

LYNCH AVENUE SEWER replacement heading south across the roadway, paralleling Stearns avenue. The 15-inch sanitary sewer is being replaced through an allocation of federal disaster funds and use of local tax funds.

Weed Cutting Contract Ok'd by GC Council

Long-awaited weed cutting in Granite City was scheduled to start this week in the old cemetery tract adjacent to Kirkpatrick Homes with approval Monday night of a contract.

Council members voted unanimously to award the contract to the Granite City Landscaping Co. of 61 University drive, on its bid of \$3 per 50x125-foot lot. Only one bid was received.

Authorization was given for Street Supt. Warfield to employ an extra man to cut weeds along the main drainage canal along East 23rd street and along Namooki road and to repair erosion, as well as clear the channel of any debris. The cost is to be paid from a \$6000 surplus in the special sewer fund.

Alderman Nott, chairman of the Street committee, voiced praise for the Union Division of Miles Laboratories in maintaining its property, including weed cutting.

Alderman Parmley reported that the park district has agreed to cut grass in the St. Clair avenue parkway. He asked the co-operation of residents of the area in keeping the parkway clear of debris for faster and easier cutting.

"We've been working with the park district on this matter for some time, and now we are asking the people to stop dumping grass cuttings and other debris in the parkway," the alderman said.

Two-Car Collision

Car driven by Velma Petrol, 3506 Franklin street, and Harley A. Keller, 2506 East 25th street, were damaged about 5:15 p.m. Monday in a collision at Edgewood drive and Wilson avenue.

\$200,000 Bills Include \$170,000 For Sewer Work

A bill list totaling \$200,721 was approved Monday night by Granite City council members, who also approved a fund transfer from a Nameoki sanitary sewer fund account to sewer maintenance and received notice of an April allocation of \$29,686 motor fuel tax funds to the city.

The fund transfer amounted to \$10,853 taken from the Nameoki area sewer depreciation fund and placed in the city's sewer maintenance fund to pay engineering fees.

The bill list showed \$170,070 paid to A. H. Seebold Co. for sewer repairs and replacement. Motor fuel tax funds totaling \$15,062 were expended for engineering services on nine projects. The amount was paid to Research Planning & Design Associates.

Other major items on the bill list were May and June premiums paid to Aetna Co. for employee insurance, totaling \$10,499, and \$1703 to East St. Louis & Interurban Water Co. for rental during May on 412 fire hydrants. Illinois Power Co. was paid \$129 for street and alley lighting.

'Sesame Street Guide' Is Now Available

Channel 9 has just released an 88-page, daily "Sesame Street Summer Guide" to help parents coordinate supplementary learning activities with those their pre-schoolers enjoy on Sesame Street.

The guide, which gives a preview of the educational features to appear each day and suggests ways to help children remember what they have learned, covers each weekday through Sept. 11. It also includes pictures of popular "Sesame Street" residents such as Big Bird, Oscar, Buddy and Jim, Kermit the Frog, and guests such as Broadway star James Earl Jones.

The "Sesame Street Summer Guide" was planned with the hope that the series, an Emmy award-winner in children's programming could be continued throughout the summer. Channel 9 is still campaigning to raise the \$37,500 necessary to extend the broadcast day to air the program each day. Corporations, companies and individuals buying \$25 Kete memberships have contributed about \$8000, enough to continue telecasting the programs through June 19.

The Sesame Street guide is free to Channel 9 family members, is available for \$2 to individual members, and for \$12 to non-members, a fee which includes a one-year membership. Requests may be sent to: Kete, 6906 Millbrook Blvd., St. Louis, Mo. 63130.

Dr. Jacob Chaffin, 603 Broadway, Venice, is recuperating at Jewish Hospital, St. Louis, from surgery which he underwent recently.

Liberals, Conservatives See Need For Decentralized Government

By GEORGE P. SHULTZ
(Former U.S. Secretary of Labor, newly named director of a "super agency," the U.S. Office of Management and Budget)

I don't think the Nixon government programs a very much more than being well enough criticized. I did not say we weren't being criticized enough. I said not well enough. Here is what I mean:

In domestic as well as foreign affairs, the President is pursuing a strategy. You may not agree with his strategy; but I think you owe it to yourselves to come to grips with that strategy, to try to understand it so you can criticize it fairly and constructively.

One of the cliches of this Administration is a phrase taken from professional football—"game plan."

Whenever I make a proposal, or whenever we come up with a new tactic, I will show how it fits in the overall game plan.

We would like to go beyond the confines of being a spokesman in the field of labor, to try to explain what our administration game plan is. There are some who will call it madness, but even they will be able to understand it in some method in it. Let me begin by suggesting what our method is. We are not professional zigzagers. We are not trying to sell liberal principles with our conservative rhetoric, or vice versa.

We are not trying to heal the nation's differences, by "splitting the difference."

Our preference for a theoretical underpinning, shown in many ways, is that Washington Redskins football game last season, there was a blatantly bad call by the referee, plus interference.

Edward Bennett Williams, owner of the team, called it "Bad call!" Former Chief Justice Warren, sitting next to him, said in a dignified way, "Poor judgment," and Henry Kissinger rose to his feet, shook his fist at the referee and shouted, "On what theory?"

We ask ourselves "on what theory?" all the time. The theory, or political philosophy, that has emerged after a year has been called the New Federalism.

I submit that it is more than a catch phrase; it is a new approach, one that has evolved from the national experience, one deserving careful analysis by thoughtful men.

To grasp the new approach, you have to cast out some of the basic assumptions of political ideology—the idea of liberal versus conservative, the old political spectrum of left and right.

It will be a wrench to set aside this familiar cliché, but it does not mean what is going on in government is "that is because, the past decade, liberals and conservatives found themselves using the same language in describing their common complaints."

Liberals were complaining that government was becoming unresponsive—that there was a greater need for local and citizen involvement. This sound like the old conservative demand for decentralization.

Conservatives, on the other hand, were saying that our welfare system and our educational establishment were in need of fundamental reform, to correct the unfairness built in over three decades of discrimination against the poor.

But the change is deeper than that. The change centered on a unique area of agreement. As Labor Secretary, it was my job to discover areas of agreement in what appear positions of great dispute, and I can certainly see one here.

1. Liberals and conservatives agree on the need for a new sense of fairness, we can achieve greater efficiency in the administration of domestic affairs.

2. Liberals and conservatives agree on the need for a selective decentralization of government.

3. Liberals and conservatives agree on a reform of our institutions that makes the setting of national standards a national affair and makes the detailed administration of

odds or his personal wishes, but such men did ultimately win out. We had better hope that there are a few like him still around because the script of life is not yet complete and the last reel has not yet been filmed. A happy ending, far from being assured, is going to have to be earned the hard way, by someone.

Sound Plan for Developing Big Airport Is Advantageous to Both Missouri, Illinois

The airport development approach being taken by the state of Illinois and city of St. Louis is so sensible that it is a shame to see the Missouri Senate go into the act in negative way. It has voted to investigate the Illinois site plan, and the sponsor of the resolution says he would like to block the project.

The airport plan is sound because of its fairness and because it offers way in which the estimated ten-year task can be launched this year.

St. Louis deserves a principal voice because it owns the existing airport and because it recognizes that an Illinois location for a second big landing field would be the most convenient and the most conducive to logical, symmetrical modern growth, rather than a lopsided development pattern.

Illinois deserves a key role because it already makes up a considerable share of the large interstate concentration of population and because it has provided necessary funds and displayed foresight, leadership and willingness to proceed.

In balance, Missouri as well as Illinois has much to gain. Surely this will become increasingly apparent to the state legislators at Jefferson City.

Many County Board District Boundaries Will Have to Ignore the Township Lines

Now that the Madison County Board of Supervisors has decided to add 29 members on the new board to represent the nearly 250,000 residents, the chore of drawing precise district lines remains. It will not be easy, because many of the 49 members have different opinions about the territory they want to reside in and campaign in; just any old boundaries will not do.

With each district to contain 8000 to 9000 people, the Quad-Cities may get about nine districts.

We would guess Venice township will seek about two seats, although it may have to include the East Madison area of Nameoki township in order to find enough population for the second district. Nameoki and Chouteau townships each will be eager to garner one or two seats, and Granite City will hope for four or five.

Because the number of residents does not divide neatly, many of the 29 districts undoubtedly will have to overlap into two townships. Some may cover several sparsely settled townships.

The resulting map may closely resemble Congressional districts, which have been boundaries expand in "wide open spaces" like Montana while Melvin Price's local district has shrunk steadily as its population outpaces the rise in average district population.

'Every Bride Is Beautiful . . . and There Is a Plentiful Supply of Them These Days

"Everybody's beautiful" is one of the currently popular songs—and it is true with the qualification given in the lyrics: "In his own way. It is a time to get married for June, when you can be said unqualifiedly that every bride is beautiful in her wedding finery and with the extra glow and sparkle evoked by such an occasion."

All of which is brought to mind by the continuing association in our mind of June with weddings. As the wedding season has been a plentiful number of marriage ceremonies this month, as our voluminous society news pages attest, although it is interesting to note that August weddings have exceeded June in some years, and May, July and September are not far behind.

The laziest man is the one who gets up at dawn so he will have more time to loaf.

Coal miners will be wearing mine, sealing and pumping in the inert gas is all that is required, the magazine indicates. However, active miners will require gas locks for entering and leaving personnel, ventilated with fresh air from the surface would contain sanitary facilities and emergency supplies and would be equipped with gas locks.

Surrounded by an airtight duct, the coal conveyor would wear a helmet and face mask, supported so as to swivel with head movements; a three-piece suit consisting of a porous undergarment, a lightweight gas barrier of rubberized fabric, and an outside heavy-duty carrier; boots; and gloves.

Although the costs of converting to oxygen-free operation would be high—especially for active mines—there are some potential offsetting economic benefits, over and above the environmental benefits.

"Massive ventilation systems, and Cretaceous Coal Co. required a major overhaul of its air supply, flush out dangerous gases, would not be needed. Electrical equipment need not be replaced, and Rock dusting could be eliminated."

"It might even be possible to work today's astronauts. Since mines tend to "breathe" with changes in the atmosphere, sealing of the mine is recommended—whether active or abandoned—prior to pumping in sulfur inert gas to maintain a slight positive pressure.

One of the most economical inert gas most be produced by burning natural gas in an inert gas generator, or by an internal combustion engine driving an electric generator, thus creating a bonus in terms of power.

In the case of an abandoned mine.

On the other hand, if he is injured at the mine, he is compensated for damage only at the rate of 10 percent of cost less depreciation.

4) The policyholder can hedge against future increases in the replacement value of his home by subscribing to an "inflationary guard endorsement" to his policy. If he does this, his insurance coverage will be increased automatically every three months at the rate of 1% of the original amount of insurance.

5) In case of total loss, the liability of the insurance company never exceeds the face value of the insurance policy (as increased by any endorsements).

Thus, the homeowner who insures for 100% of replacement value should be sure the face value of his policy is the same as the replacement value of his home.

6) Under a broad form "HO" policy, personal property, including furniture, clothing and other contents of the house, is insured up to 50% of the amount of insurance on the dwelling. However, the owner should be sure that this arrangement will provide adequate compensation in case of loss.

People who rent their house or apartment also can insure their personal possessions under tenants' policies.

7) Today, most fire and extended coverage insurance policies and homeowners' policies carry a \$50 deductible (as increased by the policyholder must pay any damage of \$50 or less himself.

8) The "HO" policyholder who maintains insurance at 80% of value is reimbursed at full repair or replacement cost. The owner of partial damage to his home.

9) The homeowner's insurance should include protection against fire and lightning, windstorm, hail, explosion and other perils as well as fire and lightning.

10) The homeowner's insurance should include protection against fire and lightning, windstorm, hail, explosion and other perils as well as fire and lightning.

EXCELLENT CARE AT HOSPITAL RECALLED
To the Editor:

We recently received the May 14 copy of the Press and read the article on St. Elizabeth Hospital (observance of National Hospital Week).

We'd like to take a moment to express our heartfelt gratitude for the nurses of the hospital's pediatric department.

A year ago May 16, our son, David, was born. He was seriously ill at birth. He was born very close to death, as he was only 18 months old.

The only things that kept him alive were God and the excellent care he received from the nurses there. They were fantastic.

We spent many hours with David, and observed many of the nurses and aides in action. It wasn't because we were there, it was because we were there.

Janet Isenberg and Mrs. Williams, both R.N.'s, stood for many long hours feeding him. They were so patient and kind. And the aides—Mrs. Albert and Mrs. Cobb.

We're sorry we didn't mention all their names, but we know they will understand. They all did a great job. We will never forget any of them. May God bless each and every one of them.

We have since moved to Granite City, but our thoughts are still very much in the Quad-

City. We are still very much in the Quad-City. We are still very much in the Quad-City.

50 YEARS AGO

JUNE 18, 1920

Guests of Mr. and Mrs. Maurice Murphy of Rural Route Two were Mr. and Mrs. Lacy Revere of Steelville, Mo., Mr. and Mrs. George Klann and Mr. and Mrs. Pat Doyle.

Fire Chief Charles DeRousse reports that the fire department has decided not to enter a running team in the state track tournament at Springfield.

Through the decision of the Illinois Supreme Court declaring the present state primary law unconstitutional, the election of the present state primary law is null and void—thousands of dollars spent throughout the state in campaigns will be a total loss. Thousands of dollars in elected precinct committeemen had themselves not elected at all.

9 VHS Graduates Plan to Attend Junior College

The Venice Board of Education Monday night authorized payment of tuition fees at Belleville Township Junior College for five Venice high school graduates, bringing the total number of 1970 VHS graduates whose tuition costs will be reimbursed by the Venice school district to nine.

Attendance at the junior college during the 1970-71 school year under the tuition-paid program was approved for Clifford Jones, 205 Allen street; Ed Denny, 202 Kerr street; Barbara Wooten, 212 Carver street; David Welch, 1251 Oriole street; and Ginger Hill, 603 Jefferson street.

In other action, the resignation of Robert Trower as school district attendance officer was accepted. The former Venice chief of police was hired by the board as the district's full-time attendance officer last September, when the position was reactivated. The post had been discontinued in the Venice district ten years earlier.

A successor to Trower was discussed by board members, but final action on a new appointment to the nine-month-a-year job was delayed until a later meeting.

Board President Leo Davinor commended Trower, saying he "did a fine job in his role of attendance officer and was sorry to lose him." It was reported that the former police chief shortly will leave this community to reside at Mountain Home, Ark.

Coaching Vacancies

Letters from two Venice coaches asking to be relieved of coaching duties in the 1970-71 school year were submitted to the board.

Stanley Lynch, track, baseball and assistant basketball coach at Venice high school, requested a leave of absence from coaching assignments for one year, citing health reasons. Lynch, who will remain at VHS as physical education instructor, asked to be considered for coaching duties next year should his health improve.

The request for a leave of absence as coach was approved. Board members noted after discussion that reappointment as a coach would depend on whether there is a vacancy in coaching next year.

Also accepted was the resignation of Clarence Hand as assistant coach of the Venice grade school basketball team. He will remain at the school in a teaching-only capacity. Hand said work toward a master's degree prevents him from continuing the extra assignment.

Approval was given to Mrs. Hazel Smith and Mrs. Johnnie Morris of the Venice home economics department to attend the annual Illinois Vocational Home Economics Teachers conference Aug. 19-21 at Chicago and a consumer education conference July 22 at SIU-SW. Vickers reported that a one-year extension to allow completion of modifications at Venice school buildings to bring the structures into compliance with the Illinois Life Safety

Vickers reported that a one-year extension to allow completion of modifications at Venice school buildings to bring the structures into compliance with the Illinois Life Safety

code has been approved by Madison County Sup't. of Schools Wilbur R. L. Trimpe. Trimpe recommended that similar approval be granted by the state Office of Public Instruction.

A building survey at the Venice-Lincoln Technical Center to determine if the structure complies with state requirements under the code has not yet been undertaken.

Elmer Taylor, chairman of the Venice board's building committee, was asked to contact a local architectural firm to discuss making an inspection survey at the adult vocational school.

Permission was given for Duane Rankin, Venice-Lincoln administrator, and three full-time instructors at the center to take part in a special projects workshop conference.

The conference, set for Monday through Thursday at Northern Illinois University, DeKalb, will focus on new approaches toward adult education. Meetings with state agency representatives and other resource personnel will highlight the four-day event, Rankin said.

Vickers reported a \$3000 reimbursement to the district has been received for one class in consumer education and family living. The amount is based on a \$100 reimbursement per student enrolled in the course.

A second reimbursement of \$3000 is expected to underwrite the cost of the Venice school's experimental elementary guidance program, he said. A \$249 requisition to purchase testing materials for the guidance department was approved Monday night by the board.

A total of \$991 is to be received as the Venice district's

share of the Illinois state basketball tournament receipts, Lewis Sabin, VHS principal, advised the board.

\$989 Million Budget Cut Urged by Percy

Sen. Charles H. Percy (R., Ill.) Wednesday called for elimination of the F-111 aircraft from the 1970-71 budget to cut another \$350 million from the projected deficit.

"The current Air Force contract for F-111s ends in June," Percy said. "Now the Air Force has requested funds for an additional 40 planes. The F-111 project has been a disaster, and the additional \$350 million should not be added as another strain on the economy."

"Last week I resolved to go over the budget with a fine-toothed comb to eliminate programs of dubious merit. I suggested that it would be possible to reduce our deficit by at least \$4 billion. In a little over a week, I have already suggested reductions that total almost \$1 billion—\$899 million, to be exact—and in the process of this review I now seem apparent that the goal of eliminating \$4 billion without threatening any vital priority programs is a modest one," he said.

"The F-111 project has been an unfortunate investment from its inception. We embarked on the project being told that each plane would cost \$3.6 million. The cost so far has jumped to \$16 million per plane and we have an airplane that can't per-

Two Cars Damaged

Damage to the left rear of a taxicab driven by Terry L. Gray, 2942 Missouri avenue, and damage to the left front of a car driven by Terry L. Wiegand, 3901 Village lane, resulted from an accident about 3:45 p.m. Monday at Madison avenue and 21st street.

Tire Stolen

A spare tire and wheel was stolen from his tractor-trailer while it was parked in the lot at 108 State street, Elvis Schremp, Perryville, Mo., reported to Madison police at 11:40 a.m. Tuesday.

Percy has also called for elimination of the SST appropriation, which would save \$288 million; 50% "U. S. Bottoms requirement" for shipping food supplies, \$130 million annually; reduction of the Defense Department's 50% price differential for overseas procurement to the 65 and 12% levels used by other agencies and departments, \$30 million; and a \$200 million on farm surplus payments, \$180 million saving.

Army Enlistees Have Re-employment Rights

Men or women who have enlisted in the U. S. Army retain the same reemployment rights as men who were inducted as a result of the Selective Service Act, an official of the Department of Labor's Veterans' Re-employment Rights Branch has stated.

Under the Military Service Act, a veteran, whether he is an enlistee or an inductee, has 90 days after his release to re-apply for his former job.

Men or women enlisting in the Army may be absent from their previous place of employ-

ment for a period of up to five years. This comprises an enlistment period of up to four years and can cover one year of voluntary extended enlistment. All enlistments and extensions, of course, by order of the Department of Defense are at the request of and for the convenience of the government.

Enlistees and inductees in the Army retain such rights under the Military Selective Service Act, and have been entitled to such reemployment rights since the initial act became law in 1960.

Dept. of Army Says, 'No Hearing' Here on Depot

Granite City council members were advised Monday night that no further hearings will be held by the Department of the Army concerning next year's scheduled closing of the 1400 employee Granite City Army Depot.

A letter to the mayor from Col. J. S. Grygiel, deputy director of installations, Department of the Army, Washington, D. C., was read to the council. Alderman Noun commented that the city's resolution calling for a public hearing here "did not even reach the high ranking officers."

"This is another case of buck

Next Performance By Balkan Music Group June 27

Having renewed their interest in instrumental music by forming the Senior Citizens String Orchestra, nine Quind-City residents have gained not only enjoyment but "box office" and critical success at performances in this area in recent months.

Their next appearance will be Saturday, June 27, when they will play for a dance at the Holy Trinity Church hall, 13th street and Madison avenue, Madison, Bulgarian "banitzas" will be available for those who enjoy strudel pastry.

Dance music of the Balkan countries has been featured with both old and young attracted.

The orchestra has played at the International Folklore Institute of St. Louis and appeared at Forest Park, St. Louis, during an international festival. All nations of the Balkan peninsula were represented at the festival along with German, Philippine and Turkish music.

The local orchestra is composed of James Gitchell and William N. Gusheloff first mandolins; Mrs. Vasil Vasileff, who plays a rare Bulgarian "gudulka"; George Todoroff and Cles Spiroff, second mandolins; Stephen Kroteloff, guitar; Paul Rydyg, drums; Tony Todoroff, clarinet; and Philip Lockhoff, tambourine.

Career Guidance for Pupils Being Studied

A three-week summer workshop to prepare guidelines for elementary teachers and to develop career guidance curricula for elementary pupils began this week in the Granite City school district and will continue to July 3. Sessions last from 8 to 11 a.m. daily.

The project is a joint effort of the guidance and vocational departments to provide experiences for elementary children, within existing curricular areas, which will help familiarize them with the world of work.

Mrs. Anita Winters, high school counselor, and Mrs. Pat Gowna, junior high school counselor, are working with two groups of four elementary teachers to accomplish the following workshop objectives:

1. To help the participants view the school and community in terms of available resources.
2. To prepare the participants to serve in an advisory capacity for other elementary teachers and administrators.
3. To provide occupational information appropriate for elementary-age pupils and make it available to elementary teachers.
4. To incorporate meaningful experiences into regular classroom activities.
5. To write guidelines for career development and make them available to elementary teachers.

Both Mrs. Winters and Mrs. Gowna have had elementary as well as secondary experience. Other participants are elementary-trained and elementary experienced personnel who have deep interest in the objectives.

Marine S/Sgt. Baker Wins Medal from Navy
Marine S/Sgt. Carl E. Baker, son of Mr. and Mrs. George F. Cannon of Holiday Mobile Park, was awarded the Navy Achievement Medal with Combat "V" during ceremonies at the Marine Corps Automated Services Center, Kansas City, Mo.

He was cited for "outstanding achievement" as a coordinator with the Administrative Control Unit of the Third Marine Amphibious Force Automated Services Center in Vietnam.

passing, and it's not even a top man who is writing the letter to us. The closing of the depot is going to put a lot of people on the street and will increase the relief and public aid rolls here."

Text of Letter

"The letter from Col. Grygiel to Mayor Partney stated: "This is in reply to the joint city council resolution of Granite City, Madison and Venice which requested the Secretary of Defense to conduct a public hearing regarding the decision to close the Granite City Army Depot."

"Meetings were held on March 30 which were attended by about 1300 of the 1400 Granite City Army Depot employees. The meetings were followed by question and answer periods and were well received."

"Accordingly, it would appear that a further hearing would serve no useful purpose."

"Your interest is appreciated and I regret that I cannot give you a more favorable reply with respect to the request for another hearing."

Second Letter

Another letter was received from Edward J. Sheridan, deputy assistant secretary of defense (installations and housing), Washington.

It stated: "The base and activity consolidation, realignment, reduction and closure actions announced during the past few months as well as additional anticipated reductions are required as a result of Congressionally approved reductions of more than \$4 billion in the Defense budget for Fiscal Year 1970 and because of further cuts in the Fiscal Year 1971 budgetary plan now pending before Congress."

During the period June 30, 1960, to June 30, 1969, the Department of Defense (DoD) population in the state of Illinois increased from over 74,000 to about 85,000, an increase in excess of 27% which was above the national average. This increase was due essentially to the buildup in support of the Southeast Asia conflict. Now that this conflict is winding down and the Defense budget is being reduced, cutbacks and closure of activities and installations must be accomplished."

The closure of the Granite City Army Depot is one of the many actions to be taken as a result of these budgetary reductions. This Depot was selected for closure in the interest of overall effectiveness and efficiency because of its size and

the specialized nature of its operations — primarily engineering material.

A decision to reduce or close activity is not made lightly. Such actions are the result of careful analysis of the DoD base structure to insure that only those activities and bases for which there is a firm military requirement are retained.

We endeavor to select for implementation those actions which will have the least possible impact on the military readiness of the Armed Forces. Because of the serious budgetary constraints, our principal objective must be to provide maximum resource savings combined with continued force effectiveness. In view of the above, I am certain you will understand why the decision to close the Granite City Army Depot is not subject to reconsideration or discussion as proposed in your resolution."

Adjustments Planned

We appreciate the hardship that necessary installation reductions and realignments have on the affected communities, on the personnel involved and on their families. Everything possible, therefore, will be done to help alleviate the economic difficulties caused by the Defense

realignments and reductions.

In this connection, the President has asked Secretary Laird to take the leadership responsibility for an interagency economic adjustment committee which will also enlist the support of state and local governments and the private sector. The Department of Defense Office of Economic Adjustment has been made the focal point of this new interagency committee and is available upon request of community leaders to offer all possible assistance.

As regards the civilian personnel who will be separated as a result of this closure action, they will be provided all the advantages outlined in the Department of Defense policy on stability of employment for career employees, including priority rights to vacancies in other Defense activities and priority for reemployment. Transportation and travel expenses will also be allowed for career employees who must be relocated to other Defense activities. In addition, the local offices of the U. S. Civil Service Commission, State Employment Services offices and business firms will be solicited for assistance in locating employment for those needing it.

Nurses Invited to Tour Scott AFB Center

Local area registered nurses and professional student nurses are invited to tour the USAF Medical Center Saturday. The purpose of the tour is to acquaint the nurses with opportunities available in the Air Force Reserve.

In addition to a tour of the medical facilities, nurses will see the famed C-5 Nightingale, the Air Force's specially-equipped aeromedical evacuation aircraft and lunch will be provided. The day's program will begin at 10 a.m. at the main entrance to the Scott Medical Center.

Molestation Attempt

The mother of a seven-year-old girl informed police a man attempted to induce her daughter to enter his auto when the child was walking home from school in the 2000 block of Lee avenue about 2:30 p.m. Tuesday. The girl said the man had tried to get her to enter the car on a previous occasion.

Youth Exposes Self

A local woman reported to police at 8 a.m. Wednesday that a youth exposed himself to her in the vicinity of St. Clair and Dale avenues. The youth, a juvenile, was turned over to juvenile authorities.

Council Debates Giving 2100 Block of Iowa to Hospital

Dedication of the 2100 block of Iowa street to St. Elizabeth Hospital for a mall to provide easy access from parking areas on the east side of Iowa to the hospital was proposed during Monday night's Granite City council session and met with strong opposition.

Council members were deadlocked in an 8-to-7 vote on a motion to prepare the necessary ordinance, with Mayor

Partney then voting "aye" to permit the ordinance to be prepared. The mayor can vote whenever there is an eight-vote tally, because technically eight votes represents half of the council, it has been ruled.

Alderman Nann, chairman of the Street Commission, presented the proposal, saying he and Green, Poulos and Boyd, had met with hospital officials, and the request by the hospital to

the City Plan Commission for the street closure had been approved earlier Monday.

Nann said the plan calls for Iowa street to be closed to traffic from 21st street to Niedringhaus avenue, and that no buildings would be erected on it because of the major trunk sewer line and utilities under the street.

Main Entrance Change

The plan also calls for the front of the hospital to be along Iowa street rather than Madison avenue and for the ambulance emergency entrance to be immediately north of 21st street off Iowa street. With the street closed, there would be no hindrance to ambulance and hospital traffic.

The hospital presently owns virtually all of the property on the east side of the 2100 block of Iowa, which will become a paid parking lot. Paving and lighting work started this week.

Objection to closing the section of the street was raised by Alderman Basarich.

"I can't see why the hospital shouldn't pay for the street," Basarich commented. "They must have money over there. The city should get the property appraised, and shouldn't give the street away."

Whitmer added that Iowa street is a major northbound on-ramp throughfare from 20th street to Nameoki road. "I thought half of the street was to be re-opened to traffic once the contractor building the new annex was finished using heavy equipment."

Had Planned Meters

"It was my understanding the street was to be returned to the city and that it could be used for parking by the public and the city could put in meters and have revenue. The street has been closed for over a year," he added.

The alderman recalled that Granite City Steel Co. and the Nestle Co. had paid for sections of streets they had obtained from the city.

Alderman Jarrett commented, "I believe all streets and alleys belong to the people and shouldn't be given away."

Green supported the hospital. "There's very little traffic on Iowa in this area. This would be a big step for the hospital and would be a good move for the city."

Voting for preparation of the ordinance to dedicate the street to the hospital were Aldermen Nann, Rutledge, Boyd, Robertson, Poulos, Green, Morien and Schuler. Opposed were Whitmer, Basarich, Dallas, Morien, Dawes, Jarrett and Boker. Partney was absent. He had departed for work.

Earlier in the meeting, the council gave its approval for a driveway off 21st street onto the new lot along the east side of Iowa street. "That's where the attendant's booth will be," Nann said.

Pontoon, Johnson Roads

Discussing other street matters, Dawes called for engineering reports on repairs to Pontoon road and the improvement of the remainder of Johnson road.

"Schools will be opening in another 2½ months, and we won't want the streets around St. Elizabeth's torn up then," he explained.

City Engineer Kieberger said the plans are in the hands of state highway engineers for approval of use of motor fuel tax funds. "They are to be here next week to look at Pontoon road and to review the Johnson road project," the engineer said, adding that it appeared

Sr. Citizens Auto Tag Exemption Ordinance 'Lost'

Lost in the shuffle of council activities earlier this year, when the council-mayor feud was in full swing, was an ordinance that would have exempted senior citizens from buying the \$3 city auto license.

The ordinance had been submitted, but revisions were requested, and that's when the ordinance occurred, it was discovered during Monday night's council meeting when several persons were in the audience to find out what happened.

Under the proposal, persons over 65 would have been exempted from paying the \$3 sticker fee for one auto. The ordinance was submitted to the council, but revisions were suggested and no action was taken in February.

City Atty. Scroggins said he would have been advised by council members on what changes were to have been made and did not hear from anyone.

Alderman Partney recalled he had requested a penalty clause be included to cover any falsification. Addressing Scroggins, Partney said, "The ordinance was referred back to you and you said you would look for any other revisions."

Scroggins replied he would check his files.

Environmental Post Established by IPC

Prof. Wendell Earl Miller, associate head of the department of Electrical Engineering at the University of Illinois at Urbana, has been named director of environmental affairs for the Illinois Power Co., it was announced today by Wendell J. Kelley, president of the company.

Prof. Miller has taken a leave of absence from the university to accept the position Sept. 1. He will serve on the staff of E. A. Schultz, senior vice-president of IPC, who heads the activities of engineering, power production and construction for the utility.

Kelley said Prof. Miller's duties in the newly created post will involve all three activities. "Illinois Power is not among those who believe that the present demand for environmental protection is a passing public hysteria," Kelley said, adding that "We believe the public is justifiably and deeply concerned."

In Memoriam 33
In memory of **GERALD DAWY**, June 21, 1916 — June 19, 1970. Time cannot be measured now in days or months or years. Now he can be washed away with tears. Time will ever be today, as we remember you. You have left a precious gem to keep our whole life through. And as the thoughts of you reach out to us each day. Time will keep you just a memory away. Sadly missed by **MOTHER, FATHER, SISTER, BROTHER AND FAMILIES** and by those who knew and loved him. 33-6138

In loving memory of **LIAM A. MCAMISH SR.** who departed this life on June 21, 1969. Heartbreak lies behind our tears. And laughter hides our grief. It seems like only yesterday instead of twenty-four long years. Face your loving smile, your gentle face. No one can fill your vacant place. Sadly missed by wife and children. **MRS. WILLIAM A. MCAMISH SR. AND FAMILY** 33-6138

In loving memory of our dear husband and father **BRACEY L. GIBBS**, who left us on June 28, 1969. Sadly missed by wife, BONITA, and daughters, **CONNIE and WANDA** 33-6138

In loving memory of **GORDON ALEXANDER**, June 19, 1906. The flowers we place upon your grave May wither and decay. But for you who sleeps beneath will never fade away. **WIFE, CHILDREN AND GRANDCHILDREN** 33-6138

Water Co. Wants \$92,400 More; Council Objects

Granite City council members voted Monday night to oppose a rehearing requested by East St. Louis & Interurban Water Co. for an adjustment in the rate increase schedule handed down May 19 by the Illinois Commerce Commission.

The company was seeking a 47% rate increase and was granted a 21% hike for a 6.57% return on its value. However, the company lawyers in effect increased the rate of return to the rate schedule, found it to be \$92,400 low, resulting in \$254 less income for the company each day.

No date was set for the hearing before the ICC, but the council advised City Atty. Scroggins to be present to file an objection for the city.

Alderman Moerlein pointed out the city has franchises with all public utilities except the water company, and his motion for selection of a special council committee to reopen franchise negotiations was approved.

"Granite City and its taxpayers have lost thousands of dollars by not having a franchise."

IRS Exam Forms Now Available

Application forms for the examination which qualifies persons to practice before the Internal Revenue Service are available at the Springfield district office.

The examination will be given in the district office, located at 325 West Adams street, on Sept. 28 and 29, for tax practitioners who are not attorneys or certified public accountants.

Jay C. Philpott, district director of Internal Revenue for central and southern Illinois, emphasized that the right to represent clients in tax and other matters before IRS is limited to persons who meet the highest standards of technical proficiency and ethical conduct.

Completed applications, accompanied by a fee of \$25 payable to the Internal Revenue Service, should be sent by Aug. 31 to Director, Audit Division, Internal Revenue Service, Washington, D. C. 20224.

Fireworks Planned July 4 At River Festival Concert

A display of fireworks will illuminate the sky during a special fireworks show to be presented on the Fourth of July at the Mississippi River Festival on the Southwestern campus of Southern Illinois University.

The fireworks show will be presented by Harry Fabricius, producer of the St. Louis riverfront special shows.

The fireworks presentation will be an extra plus for concertgoers that Saturday night and will follow the concert program. The St. Louis Symphony, along with guest pianist Andre Watts will begin their concert at 8:30 p.m.

Harry Fabricius has long been associated with producing such

shows. He is well remembered for his shows for the Municipal Opera as well as his riverfront spectaculars.

The third generation in the business, his family produced a fireworks special for the opening of Eads Bridge in St. Louis.

The 30-minute fireworks show will include the waving American flag, electric flash salutes, a silver water fall, illuminating effects, and spider web shells.

There will also be a grand finale featuring the Mississippi River Festival symbol.
